Primary School

Years 1 and 2 Home Learning

Dear parents and carers,

We would like to welcome you all to Years 1 and 2. The children have all settled in well, and we are so happy to see the children arriving on time happy to enter their classroom.

Book Bags

Please make sure that your child has their book bag in school every day. Your child will be choosing both a book to read for pleasure and reading scheme book. These will be in the book bag as well as their reading record. Please try to read with your child every day and write regular comments in the reading record book. We will be operating a 'book drop' process across the year group so when you and your child would like a change of book, please ensure there is a comment in their reading record and encourage your child to place their book in the book and their reading record drop box. We will then change their book and put it back in their book bag for you to share at home.

School Uniform

Please make sure that all your child's uniform is clearly labelled with your child's name. We will be accessing the outdoors at times so please make sure your child has a warm school coat, again clearly labelled with your child's name.

Phonics or Spelling Activities

Each week children will receive a phonics activity for that week or a spelling list. In year 2 in order to contextualise the words, children are expected to write sentences which include the spelling word. Children's learning will be sent home on Friday and will be tested on **Thursday**.

Maths

Children will receive maths activity every Friday. This will be based on the content that they have covered in class.

Many thanks,

The Year 1 and 2 team
