

## Responsibilities

This week, we have been continuing to focus on the core value of **responsibility**. In assemblies, children have come up with a list of the things they will take responsibility for at school. Please support them to make sure they are taking responsibility when they are at school.

## Torridon Primary School OUR RESPONSIBILITIES

We will:

- make sure we are on time for school
- make sure we come to school every day
- wear our school uniform and our school PE kits
- read every day
- complete our homework on time
- look after our school environment
- take responsibility for our behaviour
- show respect for each other at all times

Dear parents and carers

Thank you very much to all who made such generous contributions of cakes and bottles for the welcome fair. Thank you also to all who braved the weather to come and support us. It was a great success, despite the pouring rain!

This week, children have been completing their applications to take on additional responsibilities. We will be announcing the teams next week.

In the coming weeks, we will be inviting you to join us for a sharing assembly where your children will have the opportunity to share some of their wonderful learning with you.

We have now launched our new website where we will be keeping you up to date with all the latest news from Torridon. It is still in development and we will be continuing to add more information throughout this term.

Please see [www.torridonprimary.lewisham.sch.uk](http://www.torridonprimary.lewisham.sch.uk) for more information.

The first assemblies will take place at **2.45 on Wednesday 3rd October for 1KJ, 4NS and 6RS**. We hope you will be able to join us.

Best wishes

Manda George

Headteacher

On Friday 5th October we will be having some photographs taken for the new website.

## Welcome Fair

Friends of Torridon PTA would like to thank all the parents and children who came along to the Welcome Fair on Saturday and made it such a great afternoon for the whole school community.

A big, big thank you to the parent volunteers for helping in the day and to the wonderful, committed staff. We are greatly appreciative for the continued support from our sponsor, Richard Wells at Hunter's Catford

We raised over £1,500 which will go towards the hedge around the school. A much needed improvement to the air quality in the playground.

Great events like the fair only happen thanks to all the parents pitching in. To help at the next event, email us at [friendsoftorridonpta@gmail.com](mailto:friendsoftorridonpta@gmail.com)

We were treated to a musical extravaganza at the Welcome Fair on Saturday. The choir were in great voice and the drummers put on a fantastic show. Sophie and Savannah bravely took to the stage to give us a wonderful guitar performance.

Well done to all who participated!

## School Dinners

Dear parents and carers, please remember to pay your dinner money regularly and bring your account up to date if it is in arrears.

If your child is in Year 3, you will have to apply directly to Lewisham Council in order to continue having free school meals. Please note that the award will not be backdated so please do so without delay at [www.lewisham.gov.uk/freeschoolmeals](http://www.lewisham.gov.uk/freeschoolmeals)

## SCIENCE MUSEUM

## Year 5 Trip to the Science Museum

On Tuesday, Year Five visited the Science Museum. As well as exploring all that the museum has to offer, the children enjoyed a workshop session on forces. What a wonderful day of science learning!
