13th March 2019

Dear parents and carers,

We are looking forward to raising money for comic relief on Friday 15th March.

We will be selling **red noses** before school. School council will be outside in the playground.

To raise money the children can choose to participate in the following for a donation:

- wear something red
- 'host a gig' - for example they could sing a song, say a poem or show a dance to their class....

All children who have a **school trip on Friday must wear their school uniform** but they will be having their 'host a gig' sessions on a different day.

There will be buckets in the playground for any donations.

Thank you for all your ongoing support.

Best wishes

Zehra Bulent
