

Torridon  
Primary School

### Reading

Phonics will continue on a daily basis this term as well as reading workshop. Our main focus will be to continue to recognise the first 100 high frequency words and also to be able to apply our phonics knowledge into our independent reading.

### English

This half term we will be reading stories and information books about 'Journeys', beginning with 'Naughty Bus', a London bus which goes on its very own adventure. We will use this opportunity to look at our local area and London and then create our own version of the story. After this book, we will then be exploring the text, 'How to Make Apple Pie and See the World.'

### Meet the Team!

Team Leader: Kate Read

Teaching Staff: Lizzie Maryon-Davies, Marion Stableford, Jas Bains and Boe Omunnakwe.

Support Staff: Jay Draper, Heather Drewry, Nadine Burns and Chantella Martin.

### Mathematics

This half term we are continuing and extending our work on the following:  
reading, writing and ordering numbers 1 to 100, number bonds to 10 and 20, introducing simple multiplication and division, looking at simple fractions and investigating time. We will continue exploring word problems and will be carrying out some investigations over the half term.

### Supporting Your Child's Learning at Home

Please continue to read with your child on a daily basis - both their reading book we have sent home as well as real books.

At the end of the Autumn term we sent out your child's login and password to 'Mathletics' Please log on every week for your child's Maths home learning.

## Year One

Spring 2 2019

### Science

This half term we will be learning how to ask scientific questions and to plan and carry out a variety of fun investigations in relation to 'Everyday Materials.' We will also continue to learn about the changes in the seasons and weather.

### Topic

This term our learning will be centred around the theme of 'Journeys'. We will be doing lots of fun learning around this topic including finding out about our local area including London. We will also be learning about the rest of the country as well as other countries. We will also be creating our own transport designs and towards the end of term, we will shop for the ingredients and make our own Apple Pie

### Educational Visits

This term we will visit our local library again. We will also have a trip to a local supermarket and plan on a whole day of exploring the transport the wonderful city of London has to offer.
