

TORRIDON NEWS

7th June 2019

Dear parents and carers,

Eid Mubarak to all who celebrated Eid this week.

I hope you all had a lovely half term holiday and are ready for the rest of what promises to be a very exciting half term.

A very big thank you to our wonderful '*Friends of Torridon*' PTA who organised the sponsored bounce before we broke up. It was great fun and the children had a fantastic time!

This week we have launched our whole school 'Carnival' topic. The children are already sharing some of their wonderful ideas for our end of term event. Please make sure you check the dates for your diary so you are able to join us for some of the events taking place this half term.

Teachers have also started their planning for science week, which will be taking place in the week beginning 17th June. We will be having a fabulous week of science investigations and hands on learning. I can't wait to see what the classes will be doing.

As always, please come and speak to a member of the team if you have any questions, concerns or suggestions.

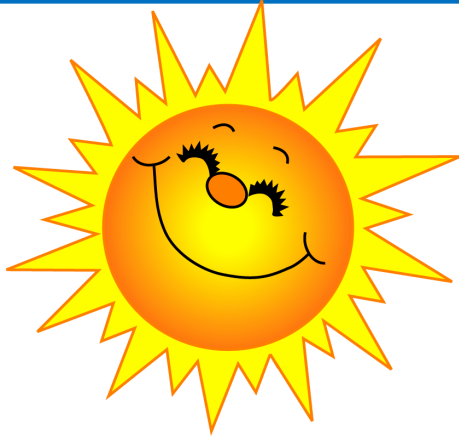

Best Wishes,

A. George

Hello Sunshine

Please remember to bring in a water bottle with your name on it during the warmer weather.

Parking

We would like to remind all parents and carers to be respectful to local residents, when picking up or dropping off their children at the school. Please do not park or block residents' driveways or park on the school Zig Zags,. Thank you for your co-operation.

Year 3 Trip To Museum of Childhood

Year 3 had a fabulous educational visit to the Museum of Childhood before half term. Children were very excited to learn all about clothes from the past and to experience toys and games of old (like games consoles from the 1980s!). It was a great inspiration for their writing and helped deepen their understanding of 20th Century leisure and entertainment.

Quad Kids!

On Thursday 6th June, 10 children from years 5 & 6 represented Torridon Primary School at the annual Lewisham Quad Kids Tournament at Ladywell Arena.

Each child on the team participated in each of the 4 events - 75m, 600m, long jump and long throw.

Their efforts and passion were equally outstanding!

We had one child win her 600m race, four won their 75m sprints and all ten children recorded long distances in their throws and jumps. Out of the 20 schools who attended the event, Torridon came in 4th place!

To add to this fantastic achievement, Clio (6R) was awarded with a gold medal for being the highest scoring individual girl at the event! She accumulated the most points across all four events out of the 100 girls at the tournament. An outstanding achievement. Well done to Clio and the entire Quad Kids Athletics team!
