

# TORRIDON NEWS

28th June 2019

Dear parents and carers

It has been really lovely to see the sunshine again this week. We are encouraging the children to drink plenty of water so please remind children to bring a water bottle, labelled with their name. Torridon sun hats are available on the MAPAC website. See inside for details of how to order.

Thank you to those of you who attended parent meetings this week. We are always keen to hear your views and your feedback has been very helpful.

Well done to our year 5 children who attended the Maths Blast Competition this week. They had a wonderful time and performed extremely well against the other schools who attended.

Next week we are fortunate to have the renowned South African Author, Beverly Naidoo visiting. I am sure she will be an inspiration to the year 5 children who have been reading some of her stories this term.

Dot Hallam and members of the Green Team are going to be very busy at Hampton Court getting their wildlife attraction ready for the RHS Schools' Gardening Competition.

The children in year 1 are looking forward to their workshop with the RSPB and their library visits. Reception will be having Forest School sessions in the park and the year 2 classes will be off on a mini beast adventure to Wildcat Wilderness. Year 6 have started rehearsals for their upcoming production and we are all working hard to get things ready for our upcoming carnival, so all in all it is going to be a very busy week indeed!

Have a lovely weekend!

A. George

Best wishes

## Events Continued

Coram Family and Childcare, a national charity, are conducting a short online survey of parents on behalf of Lewisham council to understand how they can provide better support to local families. The survey covers childcare for both preschool and school age children, including wraparound care and holiday childcare.

It would be a great help if you would be willing to share the survey with parents at your school, by sharing the link below with parents or by printing out the attached flyer and displaying it.

The survey takes 5-10 minutes to complete, and all parents who take part have the opportunity to enter into a prize draw with a chance of winning a £100 shopping voucher. All responses are entirely confidential.
