

Torridon
Primary School

P.E.

Year 2 will have P.E. on a Tuesday and Thursday.

Reading

Phonics will be on a daily basis this term and this will also incorporate spelling as well as spelling rules. We will be exploring common suffixes as well as common exception words. We will also be developing our comprehension skills and exploring new vocabulary we come across.

Writing

In writing, we will begin to develop our stamina through both fiction and non-fiction narratives. We will practice writing down our ideas before we compose a piece of writing and will also start to make simple additions, revisions and corrections to their narrative.

Mathematics

This term in Maths we are going to focus on securing our knowledge of numbers to 100 and beyond. We will be looking at solving addition and subtraction problems using a variety of methods including partitioning. We will also be working on our reasoning and justifying our answers.
