3<sup>rd</sup> January 2020

Dear parents and carers,

**RE: Festival of Triangles – Friday 10<sup>th</sup> January 2020**

Something very exciting is happening at Torridon on **Friday 10<sup>th</sup> January 2020 at 3.15 pm.** We are going to celebrate our maths theme week by having a ‘Festival of Triangles’ celebration. It will be a creative, energetic, after-school community event where pupils, parents and staff collaborate and celebrate maths. We would like to invite you to come in and see what your children have been learning about in our maths week and to help construct our very own school tetrahedron which every child has been part of.

There will be lots to do - making, colouring, building our tetrahedron and more. There will be triangular refreshments being sold to raise money for our playground.

Although it's fun and there will be plenty of opportunities to chat and relax, it is also a really valuable way to support your children in their maths learning. We look forward to seeing you there.

Yours sincerely,

Claudia Radu

Mathematics Subject Lead
