

Outreach Inclusion Service during Covid19

Outreach Inclusion Service

*Supporting schools and families with the social and
emotional wellbeing of Lewisham's children.*

OIS Core Offer

The Outreach Inclusion Service (OIS) is dedicated to supporting the social and emotional wellbeing of Lewisham's children. Assisting and working collaboratively with schools to make adjustments that will have a positive impact for all learners. As a service we offer every Lewisham mainstream Primary and Secondary school access to an Outreach Teacher and/or Mentor to offer support by way of improving the outcomes of children and young people (CYP) who are most at risk of exclusion.

We work with:

- CYP displaying varying degrees of challenging presentations
- CYP vulnerable to poor attendance and/or refusing to attend school
- CYP new to the borough with a history of challenging presentations
- CYP reintegration from a specialist or AP (Alternative Provision) returning to a mainstream school
- CYP who need support with transition particularly with changeover from primary to secondary school

In addition to this the OIS aims to be flexible in supporting schools by taking into account their differing needs and requirements and by responding in a ways that best accommodate their needs with their more vulnerable CYP.

How we can help

During the uncertain times of this Covid19 outbreak the OIS are still active and looking for ways to support CYPs and parents/carers.

If you would like any help with finding resources to occupy your young ones or timetabling your days to help build a routine, our team are here to help you.

Within the team we have qualified counsellors and therapists who can offer sessions with CYPs and parents/carers, aiming to help people better cope at this trying time.

Get in touch

In the interest of everyone's health we will mostly be working remotely. You can reach us via email or by calling us using the contact details below.
