Dear parents and carers,

Re: School Closure Update

As you know, the government has ordered all schools in the UK to close on Friday afternoon until further notice. In order to help the country keep fighting the virus but keep functioning, only our most vulnerable children and the children of key workers will be allowed to attend school. Further information regarding arrangements for these children will be shared as soon as it is available.

I have spoken to the children today to explain the situation and to answer any questions they raised. They are bound to be feeling quite anxious and unsettled so please use the time you will have together at home to continue to reassure them.

The staff team are very busy making plans and preparing home learning packs so that children can continue their learning whilst they are at home.

Children have been sent home with a learning pack today. These have been uploaded to the school website and are available here:

<https://www.torridonprimary.lewisham.sch.uk/learning/home-learning/>

Hard copies will also be available for collection from the school office. We will keep you informed by text and e mail when additional home learning is available.

I hope you all remain healthy during this very difficult time. We will keep you informed of any further developments by e mail and via our website.

Best wishes

Manda George
Headteacher
