

Torridon
Primary School

Science Week

We are very excited to announce that

Monday 20th April is the
start of our whole school
Science Week!

- Daily challenges—posted on twitter and sent by email every day next week.
- Whizzy Science activities on our class blogs... feel free to upload photos of you having a go at these on your class blog!
- Plenty of fun activities will be on our school website in 'Science Week'.
