

English Focus: Heroes

1. Superheroes

Who is your favourite superhero? Why are they your favourite superhero?
Create a piece of writing telling us all about your favourite superhero.
It could be one you know already or a new one you want to make up.

CHALLENGE YOURSELF: Have a go at including lots of adjectives 'describing words'.

2. What makes a superhero good?

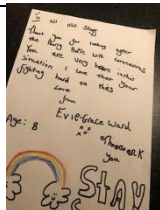

Superheroes are known for being the good guys. What is it about superheroes that makes them so good?
Do they help people? Do they save lives?

CHALLENGE YOURSELF: Find 10 things that make a superhero 'good' and write them in a list.

3. Real life heroes – 12th May International Nurses Day

Look at your list from of things that make superheroes good.
What real jobs are there that people do where they behave like 'heroes'?

CHALLENGE YOURSELF: Can you draw a picture of each one?

4. NHS Heroes

There are lots of people working very hard to help us at the moment during the Coronavirus pandemic.
Can you write a letter to someone who has worked really hard to help us at the moment?
You could choose a doctor, a nurse, a care home worker, a shopworker or loads of others. Tell them how you feel.

CHALLENGE YOURSELF: Can you film yourself reading out your letter?

5. Thank you poem

We like to try doing some poetry on a Friday so can you take some of the things you said in your letter yesterday and put them in a poem?
I am going to try writing a poem where each line starts with a different letter and spells out W E L O V E Y O U N H S. Can you try it?

CHALLENGE YOURSELF: Can you draw a fantastic NHS Rainbow to go with your poem?

Topic Focus: heroes

Art: Superhero

In English you chose some of your favourite superheroes! Which one did you choose?
Can you make your own model of that superhero? You can use anything – cardboard, card, empty bottles, egg boxes.

CHALLENGE YOURSELF -Can you make your superhero a cape?

Science: Bottle rockets

You are definitely going to need some help from an adult at home with this one – it can get very messy.
You will need – a big bottle of soft drink (lemonade, coke) some fairy liquid and some salt.
Place the bottle somewhere outside or in a big sink. Add a tablespoon of salt.
Then squirt in some fairy liquid and watch it explode!
Alternatively – you can just use a packet of mentos.

CHALLENGE YOURSELF: Draw a picture of your experiment and share it on the class blog!

Geography: Map it Out

There are lots of famous landmarks in the world -the Taj Mahal, The Pyramids, the Eiffel Tower, the Empire State building to name a few!
Can you create a drawing or model of one of these incredible landmarks?

CHALLENGE YOURSELF: Can you write a factfile on your chosen landmark? How big is it? When was it built?

P.E.

Have you worked out with Joe Wicks yet this week? If not, this is your day!! Go to Joe Wicks website and make sure you get your heart pumping. Let's keep fit!

Topic: NHS Heroes

<https://www.bbc.co.uk/newsround/51976454>

These are the people helping to keep the country running. They are our heroes. What is it like to spend a day doing one of these jobs?
Can you write what a day would be like for one of these workers. You could have three headings- morning, afternoon, evening.

Maths Focus: Measurements and lengths

<https://whiterosemaths.com/homelearning/year-2/> - Week 3

1. Addition and subtraction bonds to 20

This lesson is a refresher on how well you know your number bonds to 20. Good luck!

2. Compare number sentences

You may be fantastic at comparing numbers, but can you compare number sentences?

3. Related facts

There is something similar about these number facts. Can you work out what it is?

4. Addition and subtraction

Show me your addition and subtraction skills.

5. Friday maths challenge!

How many of the challenges can you complete?
Remember to share your work on the class blog!
