<u>PSHE:</u> PSHE: Can you be a hero for a day?

Who is your personal hero? Can you think of any ways to be their hero for a day? How could you help them to be safe, happy and worked after? Think of ten ideas, whether big or small, and write them on scraps of paper. Put them in a bag or bucket and pick them out, one task at a time. CHALLENGE YOURSELF: Can you manage to complete every task that you've set yourself by the end of the day?
