

## Green pathway Home Learning w.c. 4.05.20

### English Focus: Julia Donaldson

#### 1. Tell a 'tall tale' for tiny Tiddler...

Do you remember 'Tiddler, The Story Telling Fish': <https://www.youtube.com/watch?v=qcTQADUywwZY>

Tiddler is ALWAYS late and he always has tall tales to tell, like this one: "Sorry I'm late, I set off really early but on the way to school I was captured by a squid. I wriggled and I struggled til a turtle came and rescued me." The other fish didn't believe Tiddler but it just so happened that he was telling the truth.

What is happening in the story? Could you use the story cards to see if you can find the picture while reading the book?

*Don't try to make it rhyme!*

tiddler  
sequencing.pdf

CHALLENGE YOURSELF: Use the fish cards to retell the story.

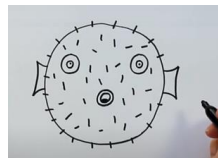

#### 2. Time to draw your fish

I have seen some beautiful drawings you have done while being at home.

Why don't you have a go at learning how to design your fish?

Have a look at this video

<https://youtu.be/42j1QkcEbiQ> Yes, it if a puffer fish!

CHALLENGE YOURSELF: You can add some colours, even a few fish around it!

### 3. Time to work in school for Tiddler and his friends...

It is time to do some phonics in school!

Please teach Tiddler the “sh” sound for fish.

I know you like to recap the sounds we know so far

Now have a go!

<https://youtu.be/vU2vWZKS7rY>

<https://youtu.be/7gBsGxhdt2E>

sh sound match  
words and pictures.p

CHALLENGE YOURSELF: Try to complete sh sound work, matching words and pictures. Remember to break up the sounds.

### 4. Time to do a little bit of writing...

under the sea pencil  
control worksheets.p

First try to warm up your fingers with this pencil control activity

1 to 9 number  
formation.pdf

Then have a go at tracing numbers

CHALLENGE YOURSELF: Can you make those numbers using playdough? Have a look at the picture.

### 5. Perform, perform, perform!

Remember the dances we learnt last week?

You can dance “Baby shark” <https://youtu.be/XqZsoesa55w> Just dance “Under the sea” <https://youtu.be/SH-7A3NVQbY>

Now try the Whale dance! <https://youtu.be/Parej8Fi0es>

Practice a few times!

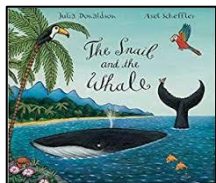

CHALLENGE YOURSELF: Try to take pictures and post them on our blog!

**Topic Focus: Julia Donaldson**

**Art: Let's be crafty!**

We normally do lots of crafts in the Lighthouse. I know you all love it!

Why don't you try to make a whale craft this week? Have a look at this pictures and choose your favourite one 😊

**Science: The Snail and the Whale...**

<https://youtu.be/2SbMVDGv-XM>

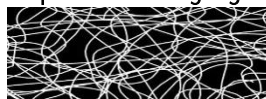

<https://www.bbc.co.uk/iplayer/episode/m000cslw/the-snail-and-the-whale>

I was thinking about having a little swim in the pond at Torrington. But Snail said that I was too big to have a little swim in the pond. But that got me thinking about pond life. What types of creatures live in a pond? Since I can't go swimming in the Torrington Pond, I wondered if you could tell me what type of creatures live in a pond? Have a look at this video

<https://youtu.be/xws6CiEs5Uo>

**Speech and Language**

**Picture time**

Have fun making a squiggly picture together. One of you draws a squiggly line and then the other person adds to it to turn it into a picture.

The first person adds a bit more and so on... until you are all happy with the picture.

Talk about what you have created.

### P.E.

Have you worked out with Joe Wicks yet this week? If not, this is your day!!  
Go to Joe Wicks website and make sure you get your heart pumping. Let's keep fit!

<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYlRfn6rYQ>

If you want to mix it up a bit, you could also get some ideas from Maddie Moate-ivator and Greg's 'Garden Gym', but don't worry if you haven't got a garden as you can do the exercises inside, choosing different household items to use as weights and benches: <https://youtu.be/VEctIFMB9DU>

### PSHE:

Snail and I were just talking about how important friendship is. And I know in green and blue pathway you are missing your friends so much. So we've had an idea. Why not head on over to your friend's class blog and tell them what you miss and like about them. Tell them how much you appreciate their friendship. You could start of by saying:

Dear... I miss you because

(Friends name) you are my friend because.... and I look forward to when we can.....

I'm sure it will make your friend's day!!!

## Maths Focus: Addition

Summer Term ~ Week 3

### 1. Addition

Listen to this song: Numberblocks addition <https://youtu.be/eJv6EAVrhdo>

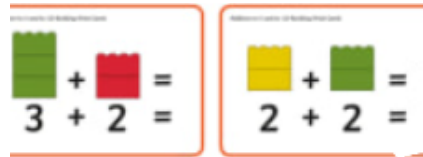

Using some objects at home, try to put things **together** and count how many you have.

### 1. Adding penguins

Watch the vide <https://youtu.be/AVHOBVAFjUw>

Then you could play with bricks, adding up to 5

Addition to 5 and to  
10 Building Bricks Ca

### 2. Addition to 10

You can play this online game today.

<https://www.topmarks.co.uk/addition/addition-to-10>

Repeat a few times.

under the sea  
addition.pdf

CHALLENGE YOURSELF:

### 3. Pom pom addition

Watch again addition video <https://youtu.be/eJv6EAVrhdo>

Then play pom pom addition! Reinforce we are putting things “together”

## Pom Pom Addition

### 4. Adding

Recap all the learning you have done so far, then, using real objects, complete worksheet.

Adding ducks with numbers 0 to 5  
Maths worksheets from [ustrakia.com](http://www.ustrakia.com)

1 duck and 3 ducks make  ducks.

2 ducks and 0 ducks make  ducks.

4 ducks and 1 duck make  ducks.

3 ducks and 2 ducks make  ducks.
