

Torricon  
Primary School

### Reading

Phonics will be on a daily basis this term. We will be learning to read a wider range of common exception words. We will also be developing our comprehension skills and exploring new vocabulary. We will be focusing on a different word everyday to develop vocabulary choices.

### Writing

We will develop our writing through both fiction and non-fiction narratives. We will practice saying a sentence before we write it using visuals. We will also start to make simple additions, revisions and corrections to our writing.

### Mathematics

We will focus on securing our knowledge of numbers to 10, 100 and 1000. We will learn how to solve addition and subtraction problems using a variety of methods including partitioning. We will also develop our reasoning skills and learn how to justify our answers.

### Meet the Team

## Looking After Ourselves and Each Other

### Supporting Your Child's Learning at Home

Please continue to read with your child on a daily basis - both their colour banded reading book as well as picture and information or poetry books. Spellings and Maths homework will be sent home. Learning through play and having fun are always important too. Baking, setting up the table, writing shopping lists...

## RB Green

Autumn 1 2020

### Science

Our topic for this half term is Animals, Including Humans. We will learn about how animals change and grow, and identify what they need in order to survive.

### Topic

This half term we will have a history focus on Kings and Queens in the United Kingdom.

### P.E.

The Resource Base will have PE on Wednesdays. Please ensure that your child comes in to school in their PE kit on Wednesday.

### PSHE

This half term we are using 'Here We Are' by Oliver Jeffers to talk about how we can look after ourselves and each other. We will have regular circle times and opportunities for children to ask questions, share their experiences and talk about their concerns.
