

Torridon
Primary School

Reading

This half term, our focus is on reading a range of texts with understanding for enjoyment. The children will have daily reading lessons in which they will either read their own books and discuss what they have read or look at texts together as a class.

Writing

In writing, we will link our learning to the book 'Here We Are' by Oliver Jeffers. The children will write a range of text types throughout the half term. Our focus will be on reinforcing accurate sentence structure and stamina for writing.

Mathematics

This half term, we will learn about place value, addition and subtraction. The children will be taught to use formal written methods for both addition and subtraction. We shall also spend at least ten minutes every day practising our times tables.

Meet the Team!

Team Leader: Richard

Teaching Staff: Anne, Sai, Caroline, Vivian

Support Staff: Azena, Lucie, Patricia, Aleah

Looking after Ourselves and Each Other

Wheel of Well-being

Supporting Your Child's Learning at Home

Please support your child to complete their weekly Mathematics and Spag.com tasks which are set each Friday. We also expect children to read for between 20 and 30 minutes daily.

Year Four Autumn 1 2020

Science

We will be studying animals including humans. The children will learn about the different parts of the digestive system as well as human teeth. They will also use, interpret and construct food chains, using language such as producers, predators and prey.

Topic and PSHE

In computing lessons this half term, the children will work towards producing a PowerPoint presentation all about themselves. In PSHE lessons, the children will be given opportunities to discuss their feelings and the changes they have experienced recently.

PE

Year 4 will be having PE sessions on a **Friday**. They will have their weekly dance lessons on a **Thursday**. The children will need to come to school in their PE kits on both days.
