

Rules:

1) Before you start playing the game take it in turns to say all the sounds. The sounds look like this:

2) Choose 9 different sounds and write them on to the tic tac toe board. You will also need 9 counters each of the same colour.

3) Take it in turns to say a sound and then put your counter on that

sound. **Who can get 3 in a row?**

☺ Once the game has finished rub out the sounds and choose 9 different sounds.

Tic Tac Toe: Can you get three in a row?

A 3x3 Tic Tac Toe grid is shown with a central cross. The grid is empty, and the goal is to get three of the same vowel digraph in a row. The available digraphs are:

j							ur	
v	er					air	ar	
w							oo	
x							oa	
y	ow					oi	igh	
z	or	qu	ch	sh	th	ng	ai	ee
