

This half term, our topic will be 'Looking after Ourselves and Each Other'. We will be focusing our learning around our core text, 'Here we are' by Oliver Jeffers.

We would like you to **complete at least two of the items listed in column 1** and then to choose some, or all, of the tasks in column 2. All written tasks can be completed in your home learning book, and pictures of practical tasks can be posted on our class blog.

Column 1	Column 2
<p style="text-align: center;"><b>Can you make a 'feel good' poster?</b></p> <p>It is really important to stay happy and healthy at the moment. Can you create a poster to explain different ways in which we can keep our bodies and our minds healthy?</p> 	<p style="text-align: center;"><b>Create your own planet:</b></p> <p>Can you make your own planet? Have a go at creating your own planet! What colour would it be? What would it be called? Use any resources you have available at home.</p> 
<p style="text-align: center;"><b>Can you write a diary entry?</b></p> <p>Imagine you are an alien from another planet and you have just spent a week exploring Earth. Write a diary entry about all your wonderful experiences.</p>   	<p style="text-align: center;"><b>Can you make a model of a food chain?</b></p> <p>Make a 2D or 3D model of a food chain. Remember to label the different organisms (producers and consumers) and the habitat in which they live.</p> 
<p style="text-align: center;"><b>Write a poem !</b></p> <p>Poetry is a lovely way to express our creative ideas. Write a poem about describing earth. You can make your poem interesting by using powerful adjectives and rhyme.</p> 	<p style="text-align: center;"><b>What are your hopes for the future?</b></p> <p>What do you hope will happen in your own life? What do you hope will happen in the world? Draw your hopes, and have a go at adding labels.</p> 

Please post a picture of your completed projects on your class blog and complete learning in your book by **Monday 19<sup>th</sup> October 2020**.
