

It's Off to Work We Go

The focus of this term is 'Off to Work We Go'.
Our focus books will be 'When We Grow Up' and 'Emergency!'

Nursery

Spring 1 2021

Personal, Social & Emotional Development

This term, we will be exploring taking turns and listening to each other in conversation. We will be developing our confidence and become confident to express our needs, interests and opinions. We will enjoy sharing our own learning and celebrating the learning of our friends.

Physical Development

We will be encouraging children to keep moving inside and enjoy physical activities outside in the park or garden. We will continue to encourage children to use scissors and mark making tools. In our phonics sessions children will continue to work on their letter formations.

Communication & Language

Listening and attention will continue to be a big focus of this half term. (Especially as we will be spending time together virtually.) We will be encouraging children to talk about what they are doing and what they have done. As well as continuing to build up vocabulary and explore new words.

Literacy

We will be exploring the books 'When We Grow Up' and 'Emergency!' We will enjoy reading familiar stories and explore new books together. We will begin to label our pictures with initial sounds. There will be lots of opportunities for mark making especially when we make props for our roleplay such as lists, letters, notes, menus or recipes.

Maths

This term, we will continue to explore numbers 1-10. We will use number names and begin to represent numbers with fingers, pictures and marks on paper. We will also be comparing by amount, length, height or shape.

Understanding the World

Our main focus for this term will be centred around different types of jobs and occupations that people do. We will role-play doing different jobs such as a train driver or a doctor. We will talk about our families and imagine the different jobs that we could do when we are a grown up.

Expressive Arts & Design

There will be lots of opportunities for us to express our creative sides this term. We will have a go at making different models to help with our phonics play. We will also be having a go at making different props for our roleplay such as a telephone or a telescope. We will also learn some new songs and join in with familiar ones.
