

Torridon
Primary School

Reading

This half term, our focus is on reading a range of texts with understanding for enjoyment. We shall explore a range of reading skills through high quality texts. These reading skills will include: prediction, summarising, inference and retrieval.

Writing

In writing, we will link our learning to the book 'Stig of the Dump' by Clive King. The children will write a range of text types throughout the half term. Our focus will be on structuring narrative writing and using effective description.

Mathematics

This half term, the children will continue to learn about division and multiplication. The children will learn to derive division facts from their times table knowledge. Remember to also spend at least ten minutes every day practising times tables.

Meet the Team!

Team Leader: Richard Newsome

Teaching Staff: Anne Wakefield,
Sai Satyadeva, Caroline Henry-Ledgister,
Vivian Etuk

Support Staff: Azena, Lucie, Patricia, Aleah

Rocking through the Ages

Supporting Your Child's Learning at Home

Please encourage children to read for between 20 and 30 minutes daily. Remember that your child has daily interactive sessions and can access pre-recorded videos.

Year Four Spring 1 2021

Science

We will be studying sound this half term. The children will learn to compare the volume of different sounds, identify sources of sound and explore vibration. The children will complete comparative tests and learn to present their scientific findings

History and RE

In history lessons, the children will be learning all about the stone age and the iron age. In RE lessons, the children will be given opportunities to explore the faith of Christianity, including the ten commandments and the holy trinity.

PE

Year 4 will be having PE lessons on a **Wednesday**. Remember to look for the video on Teams. Our weekly dance lessons will take place on a **Friday**.
