

Reading

Our main focus for this half term will be developing the skills of retrieval and inference. This will involve looking at different types of questions and answering questions using the point, evidence, explanation structure. We shall also be looking at retrieving information from non-fiction texts.

Writing

In writing, we shall be learning how to write a set of instructions and studying the elements of writing a short story. The short story will be based around Mayan culture. We shall also have opportunities to reflect on poetry and create our own poems.

Mathematics

This term, we shall be focussing on consolidating our learning and working on fractions, decimals and percentages. We shall also be studying simple equations that involve many mathematical processes.

Meet the Team!

Team Leader: Ben

Teaching Staff: Neptali, Claudia, Craige

Support Staff: Hannah, Jamie, Liz, Michael, Shanice.

The Maya

RE

As part of our RE unit on Buddhism, the children will be investigating ideas, beliefs and rituals.

Supporting Your Child's Learning

Please continue to read with your child on a daily basis—try to read a range of books. Home learning will continue to be set on to Mathletics and Spag.com.

Year Six

Spring 1 2021

Science

As part of our Science unit, we will be studying Light. We will be exploring how light travels and how we see objects around us. We will be investigating sources of light and how light can move in different atmospheres.

History

Our history unit will be focussing on the Maya people of Central America. We will be investigating Mayan culture and society.

P.E.

Year 6 will be having PE sessions on a **Wednesday** and dance sessions on a **Friday**.

Art

For art this term, children will be studying the work of Frida Kahlo and replicating some of her famous pieces.

PSHE

We will be studying children's rights and laws as part of our PSHE unit.
