

Torridon
Primary School

Reading

During our reading lessons, we will focus on the skills of identifying key themes in texts and developing our skills in inference. On Fridays, we will complete a reading comprehension task, where we will recognise and answer different questions types.

Writing

In writing, our chosen book for this half term is 'The Tempest' by William Shakespeare. We will learn how to write and perform in role as well as planning and writing our own stories using a range of devices.

Mathematics

This half term, written methods for multiplication and division will be the focus of our learning before moving on to perimeter and area. We will explore multiples, factors and prime numbers before solving practical problems involving all new skills.

Meet the Team!

Team Leader: Lena

Teaching Staff: Tom

Support Staff: Valerie Elizabeth Cristina

Wild Water

Supporting Your Child's Learning at Home

Children are expected to read daily and complete their reading records. Mathletics and SPaG.com home learning tasks will be set every Friday. You could also try:

Resource Base

Autumn 2 2020

Science

We will be comparing and grouping everyday materials based on evidence from fair tests including their hardness, solubility and thermal conductivity. Children will use knowledge of solids, liquids and gases to decide how mixtures might separate, dissolve and evaporate, noting these changes of state are reversible.

Topic and Geography

This half term, we will be focusing on rivers, erosion and the water cycle. The children will learn how to describe the key aspects of physical geography and develop a range of skills, such as map reading and using atlases.

PE

This half term we will be practicing Kwik Cricket.

Resource Base have P.E. every Wednesday and they will also be having dance sessions on **Friday**. Please ensure your child wears their PE kit to school every Tuesday and Friday.
