

Meet the Team!

Team Leader: Lena

Teaching Staff: Ana, Tom, Lena, Karen
Support Staff: Allison, Bella, Chantay, Kristina,
Valerie, Elizabeth, Liz

RB Yellow
Spring 1 2021

Reading

Phonics will continue this half term as well as our supported reading (Time to Read). Our main focus will be to apply our phonic knowledge into our independent reading and writing.

Fly me to the moon

P.E.

We will have P.E. on **Wednesdays** and **Dance** on **Fridays**.

Please ensure that your child comes in to school wearing their PE kit on Wednesdays and Fridays

Science

In science our focus this half term will be plants! We will be spending time exploring what they need in order to grow and be healthy. We will also be labelling the different parts of plants/trees and having a go at making our own beautiful flowers which we will label.

Writing

This half term we will be reading stories and information books about space, beginning with Man on the Moon, and Sidney, Stella and the Moon. We will also be exploring the first ever human moon landing and writing about it and our journey to get there!

History

During this half term we will be exploring historical moon landings and all things space! Neil Armstrong will be our main focus, along with other past/present astronauts and space engineers who have contributed to the way our exploration of space has advanced throughout the years.

Mathematics

We will be learning about number bonds, shapes and partitioning numbers using a range of resources, including Numicon. We will be using partitioning to solve problems involving addition and subtraction. We will also be using positional language and turns to give & follow directions.

Supporting Your Child's Learning at Home

Please continue to read with your child on a daily basis - both their reading book we have sent home as well as real books.

There will also be pre-recorded lessons: phonics, singing and dancing, story time, yoga, dance, art, that you will be able to access through Teams Yellow Group videos.

PSHE

This half term we will be thinking about the new year and our hopes and aspirations for 2021. We will be setting short term and long term goals for ourselves and making sure that they are achievable. If we put our mind to it and practise lots, anything is possible!
