

Torridon
Primary School

Reading

This half term we will focus on reading skills including summarising, authors' word choices, use of imagery and inference. We will use a range of texts to explore and apply these skills.

Writing

In writing, we are linking our learning to the book 'Manfish' by Jennifer Berne. The classes will write a range of text types including diary entries and biographies. We will also be reading 'Flood' by Alvaro F. Villa later in the term.

Mathematics

This half term, we will be working on multiplication and division. We will use a range of resources to add a practical element and support this learning. Please support your child to practise the 3 and 4 times tables at home.

Meet the Team!

Team Leader: Richard Newsome

Teaching Staff: Carmen Samuel-Agyei,
Lucille Jousselein, Lauren Stokes-Luten

Support Staff: Naheeda, Vicky, Alicia

Wet and Wild

Wheel of Well-being

Supporting Your Child's Learning at Home

Please support your child to complete their weekly Mathematics and Spag.com tasks which are set each Friday. We also expect children to read for between 20 and 30 minutes daily.

Year Three Autumn 2 2020

Science

We will be studying rocks, soils and fossils in science this half term. We will be identifying and comparing features of different rocks and learning about how fossils are created. The children will have opportunities to handle different rocks and soils and will simulate a fossil excavation.

Topic and PSHE

This half term, we will be focusing on rivers, erosion and the water cycle. The children will develop a range of skills, such as using maps, atlases and globes. The children will continue to receive daily PSHE lessons to support their emotional and social wellbeing.

PE

Year 3 will be having PE sessions on a **Thursday**. This half term we will be playing Kwik Cricket. They will have their weekly dance lessons on a **Tuesday**. The children will need to come to school in their PE kits on both days.
