

### Call for submissions for Lewisham Life magazine!

We are looking to say a big thank you to all our schools, teachers and school staff this summer. Their commitment to the children and young people of Lewisham has been phenomenal and we want to recognise this in the Summer issue of Lewisham Life magazine, which goes to every resident and business in the borough.

This year, National Thank a Teacher Day will take place on Wednesday 16 June 2021.

We are putting a call out to families to send in a 'THANK YOU' to any schools, teachers or non-teaching staff who deserve a shout out!

The theme for National Thank a Teacher Day this year is 'Stars'

You can send this to us in the form of a short quote that can be used on a tweet (for example), or perhaps your child could do a drawing and email it in? Or send a photo of themselves (wearing something sparkly!) to say thank you?

We will publish our favourite drawings/photos and quotes in the summer issue of Lewisham Life magazine, and will share all of them via social media on National Thank a Teacher Day (Wednesday June 16).

Please send your THANK YOU to [lewishamlife@lewisham.gov.uk](mailto:lewishamlife@lewisham.gov.uk) using the title 'Thank A Teacher Day'.

To be considered for Lewisham Life magazine, please send in by **Friday April 16**.

Don't forget to share the name of the teacher and the school, and the first name of the child and year group!

We look forward to seeing them!
