## Torridon Primary School

### Letter to candidates

Dear Colleague,

Thank you for your interest in our vacancy for a class teacher (maternity cover). My name is Manda George and I would like to take this opportunity to tell you a little about our school.

We are a large, happy and vibrant community school committed to ensuring that all children develop the skills they need to thrive and flourish. We are situated in the heart of Catford and the school is well placed for transport links, being close to Bellingham station and on several bus routes.

In September 2018, we amalgamated Torridon Infant & Nursery and Torridon Junior Schools to become Torridon Primary School, making us one of the largest primary schools in Lewisham. There is a strong leadership team in place and they have been instrumental in leading the school on its journey through the amalgamation and beyond.

The current team are extremely talented and wholly committed to making a difference in our children's lives. We are looking for exceptional teachers to join our staff team and contribute to the journey into the next phase of development. This is an exciting opportunity for a dynamic and ambitious candidate with a strong commitment to raising standards.

We have a strong reputation for inclusion and love the fact that our school community is so diverse. Staff at the school respond positively to the many challenges that such diversity can bring. We have a specialist resource base for children with Autism and support children with a wide range of special educational needs. Our reputation for valuing, caring for and attending to the needs of each child is justly deserved and a real strength of the school.

Our children enjoy coming to school and are very excited about learning. They feel trusted and respected and they know that there is always someone who will listen to them. School is a safe, warm and caring place where children succeed.

We are developing an exciting, innovative curriculum which we feel is relevant to our children and will enable them to become creative thinkers who welcome challenge and have the resilience needed to solve problems.

Our staff team are passionate about making a difference and strongly believe that all children should have equal opportunities to achieve well and become the best they can be. To this end, we promote the highest possible expectations of our children and each other in all aspects of school life. Underachievement is not acceptable and we aim for our children to leave Torridon with a strong sense of self belief, high levels of independence and the ambition to succeed.

We know that our staff are our most valuable resource and invest heavily in ensuring that everyone has the skills they need both to fulfil their current role and to prepare them for future aspirations. Senior staff use a coaching model to provide personalised support for teachers alongside external professional development opportunities. In addition to the development of teaching and learning, we also provide opportunities for middle leaders to develop their leadership skills, taking responsibility for the development of whole school initiatives in line with school improvement priorities.

High quality professional development for staff at all levels is highly valued and we will ensure that you have the support and training you need to be effective in post.

**Torridon**

## Vision for teaching and learning

Torridon is an inclusive school. We are committed to doing the very best that we can to make sure that every child succeeds. We have a shared responsibility to ensure that we are doing the very best for our children and aim to meet the individual needs of each child wherever possible. Our core values of: **Aspiration, Community Diversity, Excellence and Respect** underpin all that we do.

At Torridon we aim to engender a passion for learning and the pursuit of excellence in every aspect of our work. We have the highest expectations for ourselves and all of our pupils, aiming for standards that exceed national expectations, both in the core subjects and across the wider curriculum.

We want every child to leave Torridon wanting and determined to make a difference to the world, and having the skills to do so. In order to do this, we believe that we have to enable the children to be emotionally intelligent, resilient and brave, and provide them with the academic foundation to enable them to be outstanding individuals in all aspects of their lives.

### We want our children to:

- Be confident in themselves as learners
- Be eager and enthusiastic learners
- Understand themselves as learners, being proud of their successes and understanding the next steps in their learning
- Be emotionally intelligent
- Be resilient and determined to succeed
- Be responsible for their actions

### We aim to achieve this by:

- Ensuring that children's achievement is at the heart of our school
- Valuing and celebrating children's social and cultural diversity
- Maintaining the highest possible expectations of every child
- Striving to ensure that every child succeeds
- Adopting a 'no excuses' attitude towards children's progress and attainment
- Providing opportunities for our children to develop academically, socially, morally, emotionally and spiritually in a safe and caring environment
- Working closely with parents and carers to ensure that we are providing the best possible education for our children

## About the school

We have over 660 children at Torridon, each one of them different and unique.

At Torridon Primary School we believe that positive and rewarding relationships are fundamental in ensuring a naturally positive environment for learning and we have a responsibility to embed personal values such as respect, honesty and courage. We prioritise the formation of solid and respectful relationships between children and staff. We believe that respect should be mutual and something which is earned, not expected. In order to reflect this, all staff are known by their first names.

Inclusion is very much at the heart of what we do and we have a very strong inclusion team who support our children with SEND.

As well as our mainstream classes, we are proud to have specialist support for children with Autism Spectrum Condition (ASC). Our resource base caters for children from Reception to Year 6 who have a diagnosis of ASC. Children in the resource base have a diagnosis of autism and an Education, Health and Care Plan (EHCP). They are allocated a place by the Local Authority Special Needs Panel in conjunction with the school. The children who attend the resource base are very much part of our school and access the mainstream classes according to their level of need. We are delighted to provide our children with access to a sensory room, enabling a holistic approach to learning.

Our staff work very closely together and there is a strong sense of teamwork. Teachers have non contact time to plan together with year group partners. Planning in this way ensures consistency across classes and means that teachers are able to share particular expertise and support each other.

Torridon pupils can expect a high quality of teaching across a broad and balanced curriculum that allows all children to achieve to the level of the best. Teachers can expect pupils who are keen and who know how to learn.

We are currently developing an innovative and creative curriculum offer which embraces cross curricular learning and is brought to life through visits, visitors, workshops and other real life experiences.

Our aim is to prepare our pupils for the roles and responsibilities they will face at Torridon, at secondary school and in the community.

Every teacher receives ongoing professional development from members of the Leadership Team, focusing on improving the quality of teaching and learning and accelerating the progress of any children whose progress is causing concern. Support may include lesson planning, team teaching, demonstration lessons, observations and feedback. The impact of this support is evaluated regularly through lesson observations and book looks and is differentiated according to need.

## Lewisham - The place to live and work

Lewisham is a cosmopolitan area in south-east London, occupied by energetic, creative and diverse communities. Lewisham benefits from attractive residential neighbourhoods and one of the highest number of parks and green spaces in London.

It's a place that is changing rapidly. There are exciting developments happening in the town centres and local neighbourhoods, bringing new housing, schools and leisure facilities to the area.

Lewisham has excellent transport links. London Overground now connects more of Lewisham with central London and the tube network. It's also easy to reach Canary Wharf, the City, London City Airport and the new international rail terminal at Stratford.

There's a great deal for you and your family and friends to do. Getting to and from those various places and events won't be a problem either, as we've got great transport links. Most teachers live around a half-hour's walk or bike ride away from work, and enjoy access to good rental properties, shared ownership schemes and interest-free loans for home purchase on the open markets as part of the Keyworker Living scheme. So living and travelling couldn't be much easier.

Lewisham pretty much has it covered. Thriving, established markets, restaurants that cover almost every cuisine in the world, beautiful green spaces, sport, dance and music. There's something for everyone.

The children of Lewisham are our future business leaders, hairdressers, politicians, taxi drivers, mechanics, nurses, plumbers, artists, footballers, engineers, music moguls, journalists, chefs and even teachers. We owe it to them to give them the best start to their lives and careers.

As one of our school leaders or teachers, you'll have children's futures in your hands. Because of that, you deserve all the support we can provide. In fact, all our teachers enjoy the best we can offer, from our renowned Induction Programme for NQTs through to Leadership and Management Programmes that will help you develop your knowledge and skills, no matter what your level of experience.

We don't forget our invaluable support staff either: they've got access to development and training in order to raise pupils' achievement levels, and they have real career paths. For you, it means you'll have a motivated, well-trained team of people around you. And you'll benefit from all the other support systems we've implemented, from Lewisham Learning to advisory staff who focus on Hearing, Visual, Speech & Language, Specific Learning and Physical Difficulties, and Behaviour Improvement Programmes.

For teachers with children, there are many nursery classes and crèches, good childcare, and after-school clubs and play centres. We'll also be happy to talk to you about flexible and part-time working.

Just as importantly, you'll have borough-wide opportunities for Continuing Professional Development, through conferences and a range of training. You'll also have the chance to take part in local authority advisory work, contributing your ideas and expertise to borough-wide development. So your students won't be the only ones improving their prospects.
