

Torridon
Primary School

Reading

We will be reading *The Fox and the Star*, by Coralie Bickford-Smith. This story is about friendship, kindness, independence, self discovery and resilience. Children will be learning key reading skills and how to express themselves effectively. They will also be given time during the week to read for pleasure.

Writing

Writing will be based on the text, 'The Fox and the Star'. Children will develop their own narratives, identifying key events of the story and developing vocabulary. Learning will be differentiated to ensure the pitch of the sessions is appropriate.

Mathematics

We will focus on number and place value. The children will be taught to count, order, write and compare numbers. The children will have the opportunity to use a range of resources to deepen their understanding. We will also explore a range of methods for adding and subtracting.

Meet the Team!

Teaching Staff: Wahida, Ana, Karen
Support Staff: Allison, Valerie, Elizabeth, Chantay, Kristina

Our local Community

RB

Autumn 1 2021

Science

We will be studying animals, including humans. The children will have practical opportunities to explore the functions of both human and animal skeletons. We will also be learning about the importance of nutrition and a balanced diet.

History

This half term, we will be learning about historically significant people in our community. The children will be finding out about Sybil Phoenix and the positive impact she has made in Lewisham.

PSHE

Children will learn to build positive relationships with others and how to listen and communicate with other children. They will learn to understand their emotions and those of others, and to identify calming and relaxing activities. They will learn about developing independence and the importance of being kind.

Supporting Your Child's Learning

Please support your child to complete their weekly Mathletics and Spag.com tasks which are set each Friday. We also expect children to read daily. Please remember to send in your child's reading record each Monday.

PE

We will continue having dance on **Tuesdays and P.E.** on Fridays. We will continue with our Daily Mile every day.

Dance

Dance sessions will continue to happen on a Tuesday. The children will be connecting with all art forms to begin the Arts Award Programme.

In dance, the children will explore our community by creating simple dances inspired by shapes, buildings, people and places. The Art Awards programme will involve Dance and Art discoveries.

Music

This half term, we will be considering rhythm and pulse. We will be finding out all about the Ukulele.

Interventions

The children will be accessing a range of interventions, including speech and language, sensory circuits, emotional regulation and social skills. This is in addition to their personalised provision.

Our local Community

Art

The children will be exploring the theme of community. We will be learning about faces, figures and portraits and experimenting with lots of different and interesting mediums. Artwork will be consolidated for the Arts Award Program in conjunction with Dance.

DT

The children will be learning about the different structures of buildings. They will design and create a 3d model of a building of their choice.

RE

In RE lessons this half term, children will learn about Christianity. They will learn about the key beliefs of the religion and the Bible.

Computing

This term in computing, the children will apply their knowledge and understanding of networks, to appreciate the internet as a network of networks which need to be kept secure.
