

Torridon
Primary School

Reading

Children have daily opportunities to read with an adult and answer comprehension questions about the book.

This term, we will be reading a variety of books around growing, changing and managing our emotions. The children will be visiting the school library regularly.

Writing

We will be offering a range of writing opportunities suitable for the children's needs around the zones of regulations, transitions, changes, feelings and growing up.

Mathematics

This half term, the children will have differentiated work to develop their understanding of number and place value. We will be working from numicon workbooks to support the children's understanding.

We will also be developing the children's ability to recognise mathematical language.

Meet the Team!

Team Leader: Lena

Teaching Staff: Anna & Ciara

Support Staff: Valerie, Elisabeth, Lucy, Chrissy, Erica, Zack, Irma

Growing

Supporting Your Child's Learning

Please support your child to complete their Mathletics and Spag.com tasks which will be set on Fridays. Please can you also ensure they read everyday and bring their reading record to school each Monday.

RB

Summer 2022

Science

This half term we will be focussing on how plants grow and how we grow and change including physical and emotional changes we may experience and how to manage these changes.

Geography

We will be exploring the local environment inside and outside of school.

PSHE

We will continue to develop understanding of "Zones of Regulation" to foster self-regulation and emotional control in every day situations.

We will be using social stories to help the children to manage their emotions and develop strategies and language to problem solve in everyday situations.

PE

We will continue having dance on **Tuesdays** and P.E. will now be on Friday.

Dance

Green pathway– We will explore ‘stomp’ the musical production. We will follow and move, explore body actions and use everyday objects to copy and make rhythmic sounds.

Blue pathway - We will become dance warriors using props and exploring the traits and super powers of marvel and historical warriors.

Interventions

The children will be accessing a range of interventions, including speech and language, sensory circuits, emotional regulation and social skills. This is in addition to their personalised provision.

Torridon
Primary School

We are really looking forward to working with and getting to know your children. We will be providing the children with a range of opportunities to help increase their communication, social and emotional regulation skills. The curriculum in the base will be personalised to meet each child's needs and will change as they grow and develop.

Anna & Ciara

Art and DT

The children will have many opportunities to explore a variety of art mediums such as clay, papier mâché, paint and printing.

We will be drawing and designing super heroes.

Computing

We will create digital art and use computers to publish work.

Music

The children will have access to different instruments and explore sounds and rhythm. We will also listen to a variety of music every Friday.
