

Year 2 Home Learning: Spring 2

This half term, our topic will be **'Pesky Pirates'**. We will be focusing our learning around our core text 'The Pirates Next Door' by Jonny Duddle. We would like you to **complete at least two of the items listed in column 1** and then to choose some, or all, of the tasks in column 2. All written tasks can be submitted on Microsoft Teams, and practical tasks can be brought into school.

Column 1	Column 2
<p>Research a famous pirate: Research a famous pirate and create an information poster on them. Why are they famous? Where are they from?</p> 	<p>Collage or model: Can you make a collage of an island or a sea? Use lots of different materials to create your new masterpiece.</p> 
<p>Materials: How many different materials can you find at home? Can you sort and label them?</p> 	<p>Pirate Ship: Can you make a model of a pirate ship?</p> 
<p>Pirates: Design your own pirate. Draw a picture of them and write a character description about them.</p> 	<p>Create your own treasure map: Through the rough seas? Under the towering trees? Where will your treasure map lead us?</p> 

Reminders: Complete your home learning by **Monday, 28th March 2022.**

Complete three Mathletics tasks set by your teacher for that week. Log in to your TTRS and practise as much as possible to improve your rock speed.

Read daily for 20 minutes minimum, and sign your reading record. Can an adult question you on what you have read? If you read 5 times a week we might get extra play.

Spellings will also be set every Thursday and can be viewed on Microsoft Teams. Make sure you learn them for your test that will happen on the following Thursday.

SPAG.com tasks will also be set every Friday. Have a go, and see how much you know.
