Introduction

Section 1) Attainment & Progress

Questions to consider

- a) Attainment & Progress Summary
- b) Early Years Foundation Stage Profile
- c) Year 1 Phonics
- d) Key Stage 1
- e) Key Stage 2
- f) All Years Vulnerable Groups Grid

Section 2) Pupil Characteristics & Place of Residence

- a) School Census Analysis
- b) Map of Pupil Residence

Section 3) Pupil Behaviour

- a) Pupil Absence
- b) Exclusions & Suspensions

Section 4) Appendices (Data Sources & Caveats, Glossary)

About this Profile

Welcome to the 2022 Super School Profile for Torridon Primary School. The Profile provides a comprehensive summary of numerous aspects of a school, including attainment and progress information, contextual analysis and attendance information, all in one place.

The Super School Profile provides you with:

- Headline analysis across a range of topics
- Visual cues to help you easily pull out key points from the analysis
- Benchmark information so you know how the school compares to averages
- Time series information so you can see direction of travel

The Profile is intended for use by headteachers, senior leadership teams, governors, link inspectors and anyone interested in getting a comprehensive, yet easy-to-digest overview of a school. The Profile may be particularly valuable in the run up to an Ofsted inspection, but it is expected to be a useful guide throughout the year.

How should I be using the Super School Profile?

The Super School Profile is designed for anyone with an interest in your school's performance to get a strategic view of the key issues for your school, and it is up to you how you choose to use it.

Where does the data in the Super School Profile come from?

All data sources and some caveats to consider when looking at the analysis are detailed in the Appendix.

Important Information about Key Stage 2 Analysis

The KS2 attainment and progress analysis for 2022 is based on early, unvalidated data which includes pupils who were recently arrived from overseas. Note that these new arrivals may be discounted from ASP and IDSR data and therefore the analysis in the Profile may differ from the final published figures.

Explanation of Colour Coding Used

What do the coloured arrows mean in the analysis?

The Super School Profile allows you to compare your school's current performance with other comparators (e.g. a prior year or the England average). To aid this comparison, some of the tables of data include green and red arrows showing how your school compares. For attainment measures, the shading varies depending on how far above or below the comparator your school is. If the difference is the equivalent of 5 or more pupils, the arrow has a darker shade. The arrows do not indicate statistical significance.

Key

- ↑ ≥5 pupils better than the comparator
- ↑ ≥1 pupil better than the comparator
- No arrow means the difference is within the equivalent of 1 pupil
- ↓ ≥1 pupil below the comparator
- ↓ ≥5 pupils below the comparator

Worked Example - Attainment

In this example the school has 50 pupils and therefore each pupil is 2% of the cohort (i.e. 100%/50). Hence, darker shades are used for differences of at least 10% (i.e. 5 x 2%).

Indicator	School (50 Pupils)	Comparisons		
		LA	England	
% Expected	Reading	66%	78% ↓	76% ↓
	Writing	74%	77% ↓	70% ↑
	Maths	88%	73% ↑	76% ↑
	RWM	66%	56% ↑	65%

Name of indicator

Your school's latest year's performance

The green up arrow shows that the school performance is higher than the LA comparison for RWM. The arrow is dark green because it is at least the equivalent of 5 pupils (10%) better than the LA average

The red down arrow shows that the school performance is lower than the England comparison for reading. The arrow is dark red because it is at least the equivalent of 5 pupils (10%) worse than the England average

The school performance is greater than the England average for writing. However, the difference is less than 5 pupils different (10%) so the arrow is lightly shaded

There is no arrow for writing because the difference between the school and England percentage is less than what one pupil is equal to (2%)

Colour coding on the Attainment & Progress Summary

The attainment and progress summary page uses colour coding in the same way as described in the example above. However, colour is used in the background shading of the school percentages, rather than on arrows, to compare school performance with England averages for the last four years.

Shading used on the Attainment Pupil Groups Grids

The detailed analysis of performance by pupil groups uses shading to highlight groups that perform above or below average. Note that this does not mean their performance is particularly high or low compared to the same group of pupils elsewhere. Where the group performs at least 10% above or below the 'All Pupils' figure, a darker shade will be used. If the gap is at least 5% a lighter shade will be used. Small groups of 3 or less are in grey font and never shaded green or red.

Colour coding in the Pupil Behaviour section

Where the exclusion rate is lower than the comparator rate, it is indicated with a dark green down arrow (since lower rates are better than higher rates). Any rate that is higher than the comparator rate is shown with a dark red up arrow. In other cases, the arrows may be black because there is no "better or worse" judgement that can be applied.

1. Attainment & Progress

*Analysis of end of year assessments from EYFSP
through to Key Stage 2*

Questions to Consider

Questions to consider when reviewing attainment analysis

This section considers analysis across the whole of the primary phase, using similar types of analysis for each assessment. As such, there are a number of key questions that you should consider when reviewing the analysis in this section. For example:

- 1 How do your school results compare with LA and national figures? Are there any noticeable differences or common patterns? Can the reasons why be identified?
- 2 Can you identify a clear trend in your school performance, and how does this compare to the trends for the LA or England? Can the reasons for changes be identified? Are they linked to random fluctuations, changes in cohort size or 'real' changes in policy and practice?
- 3 How does the performance of particular groups of pupils compare with your school as a whole, and for the LA averages for that pupil group? Furthermore are the issues identified consistent across year groups? Are additional resources needed to support particular groups of pupils?
- 4 Can you identify any specific intervention/strategy that enabled certain pupils to attain above the expected standard? If yes, how can the school develop and share what has worked well throughout the school?
- 5 Were pupils who attained below the expected standard identified as being 'at risk' of underachieving? If so, what actions were taken?
- 6 If particular curriculum strengths have been identified, consider any strategies in place that may have positively impacted on a subject. Or if curriculum weaknesses have been identified, what possible improvement strategies could be implemented for these subjects? How far are the strengths and weaknesses identified specific to a particular year group or are they the same for the school as a whole?
- 7 Are there implications from the analysis for teaching and learning strategies, planning, assessment, professional development, provision or interventions?

Additional questions to consider when reviewing KS1 to KS2 progress analysis

- 1 Are there noticeable differences between the progress pupils made from KS1 to KS2 in reading, writing and in maths? Can the reasons why be identified?
- 2 Which pupils do not have KS1 prior attainment and are therefore not included in the KS2 progress analysis? How might you measure progress for them?

Note on vulnerable pupils analysis

It is important to note that the numbers of pupils in certain groups can be small. Therefore, particular care should be taken when analysing the results of small groups as the effect of one additional pupil on a small group of pupils can be considerable (for larger groups the effect will be less marked).

Attainment & Progress Summary (2022)

	Other						100%	100%	100%

The analysis shows the percentage of pupils achieving the expected level for each pupil group in Torridon Primary School. **Only groups with at least 3 pupils are shown.**

Colour Key:

The colour shows the difference between the group and the England average for all pupils. Where the group is within 3% points of national the dot will be white

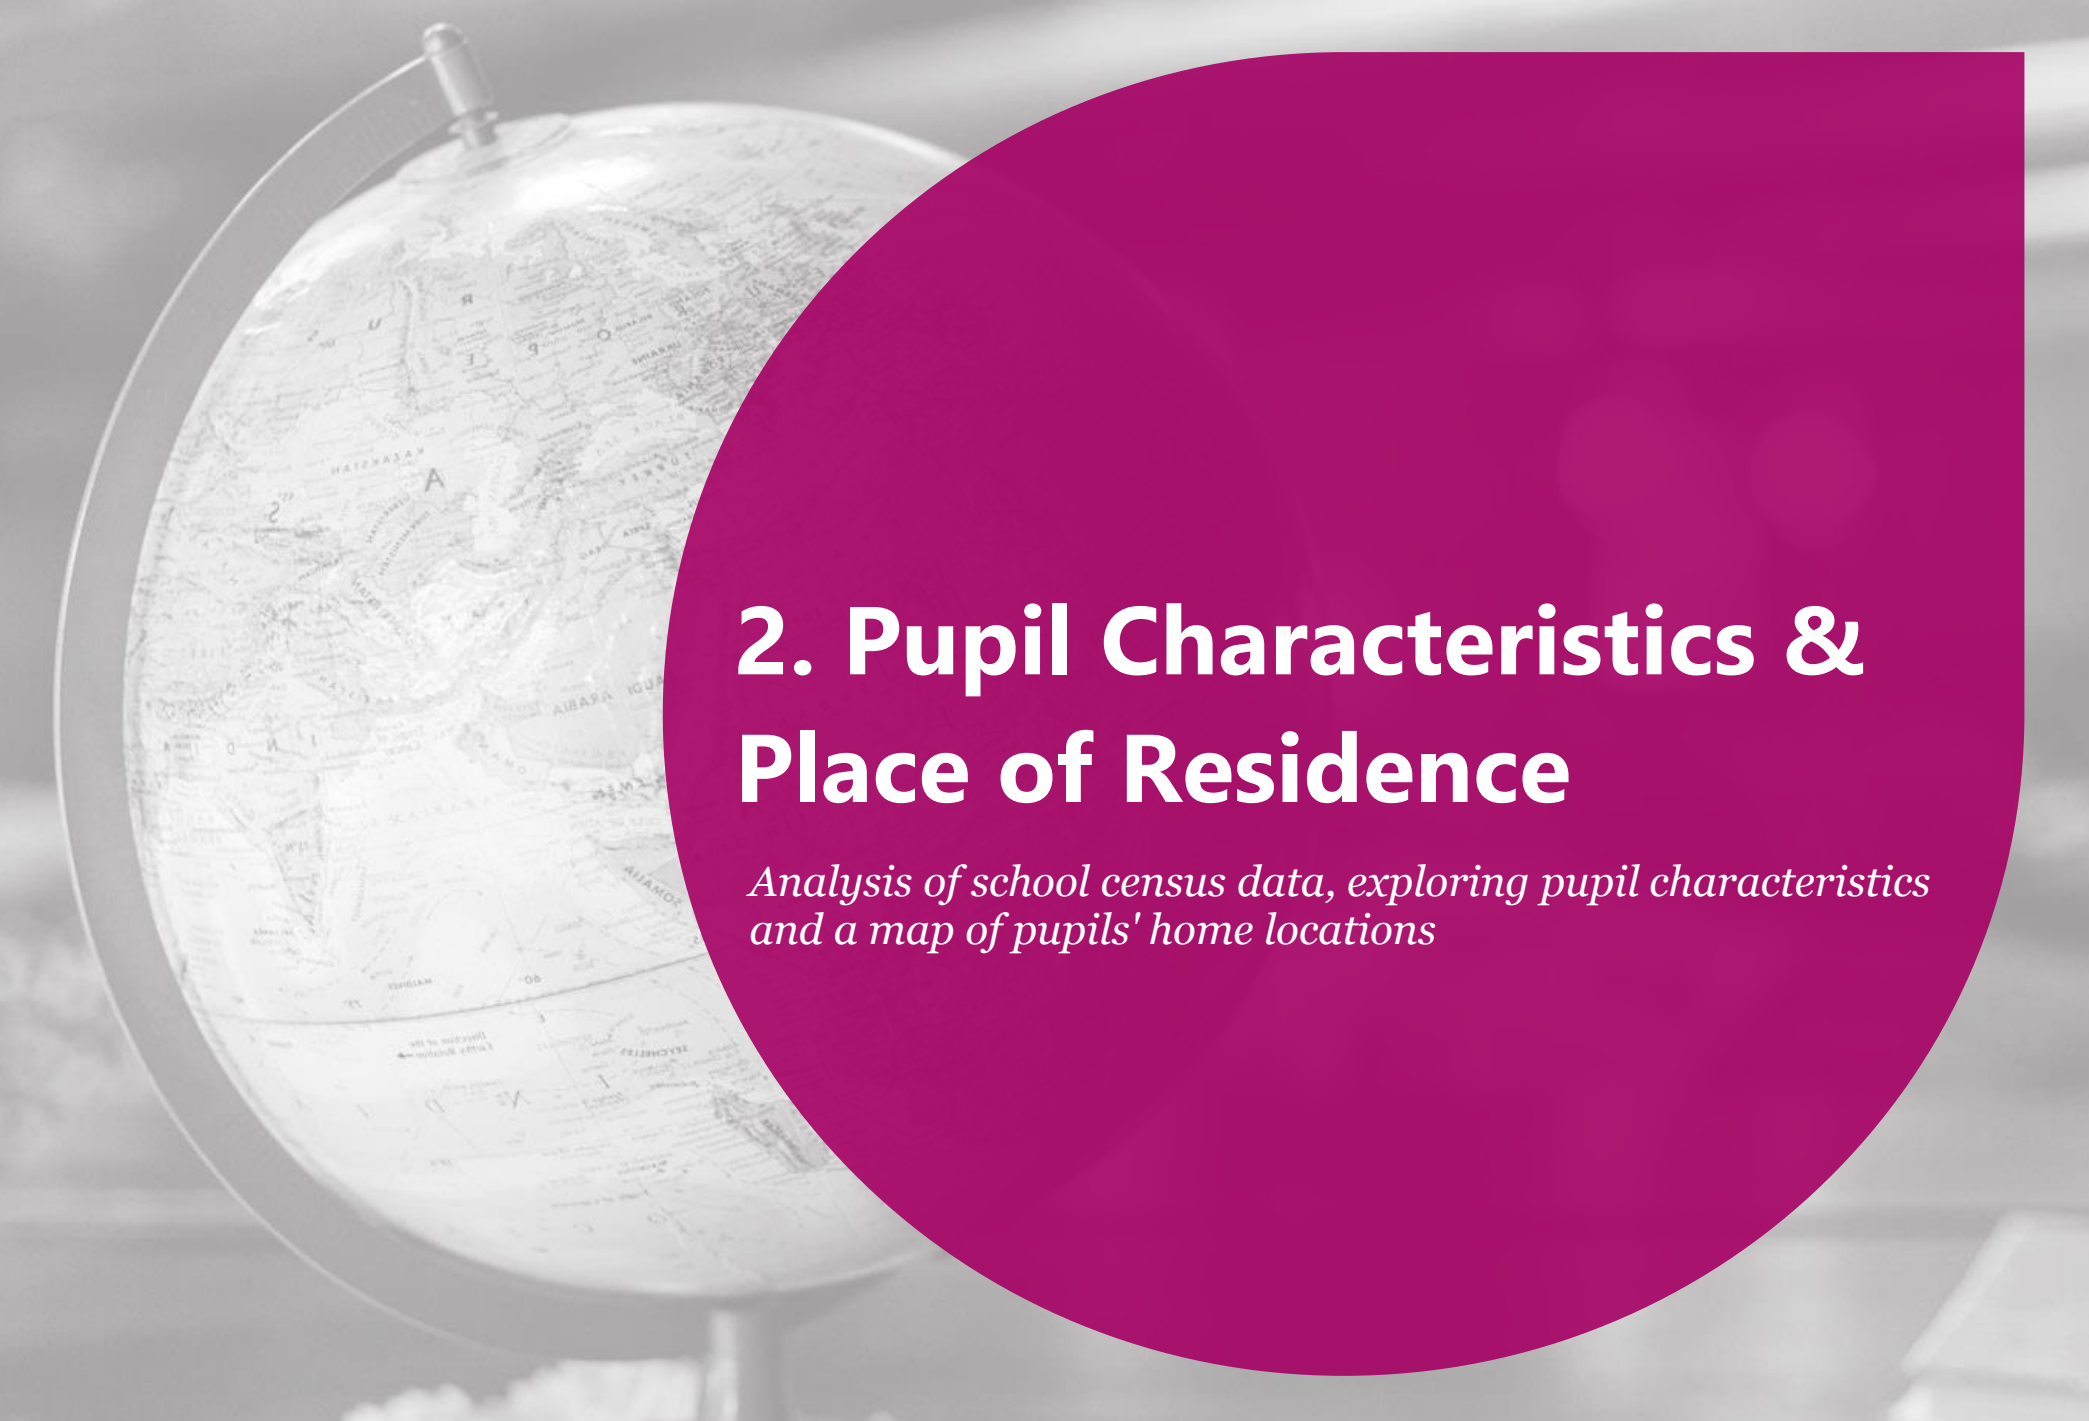

Dot Size Key:

The dot size shows the number of pupils

Need to understand more?

Explore the vulnerable groups analysis for each of the year groups in this report. These provide actual pupil numbers and compare your school performance with benchmarks for each pupil group.

2. Pupil Characteristics & Place of Residence

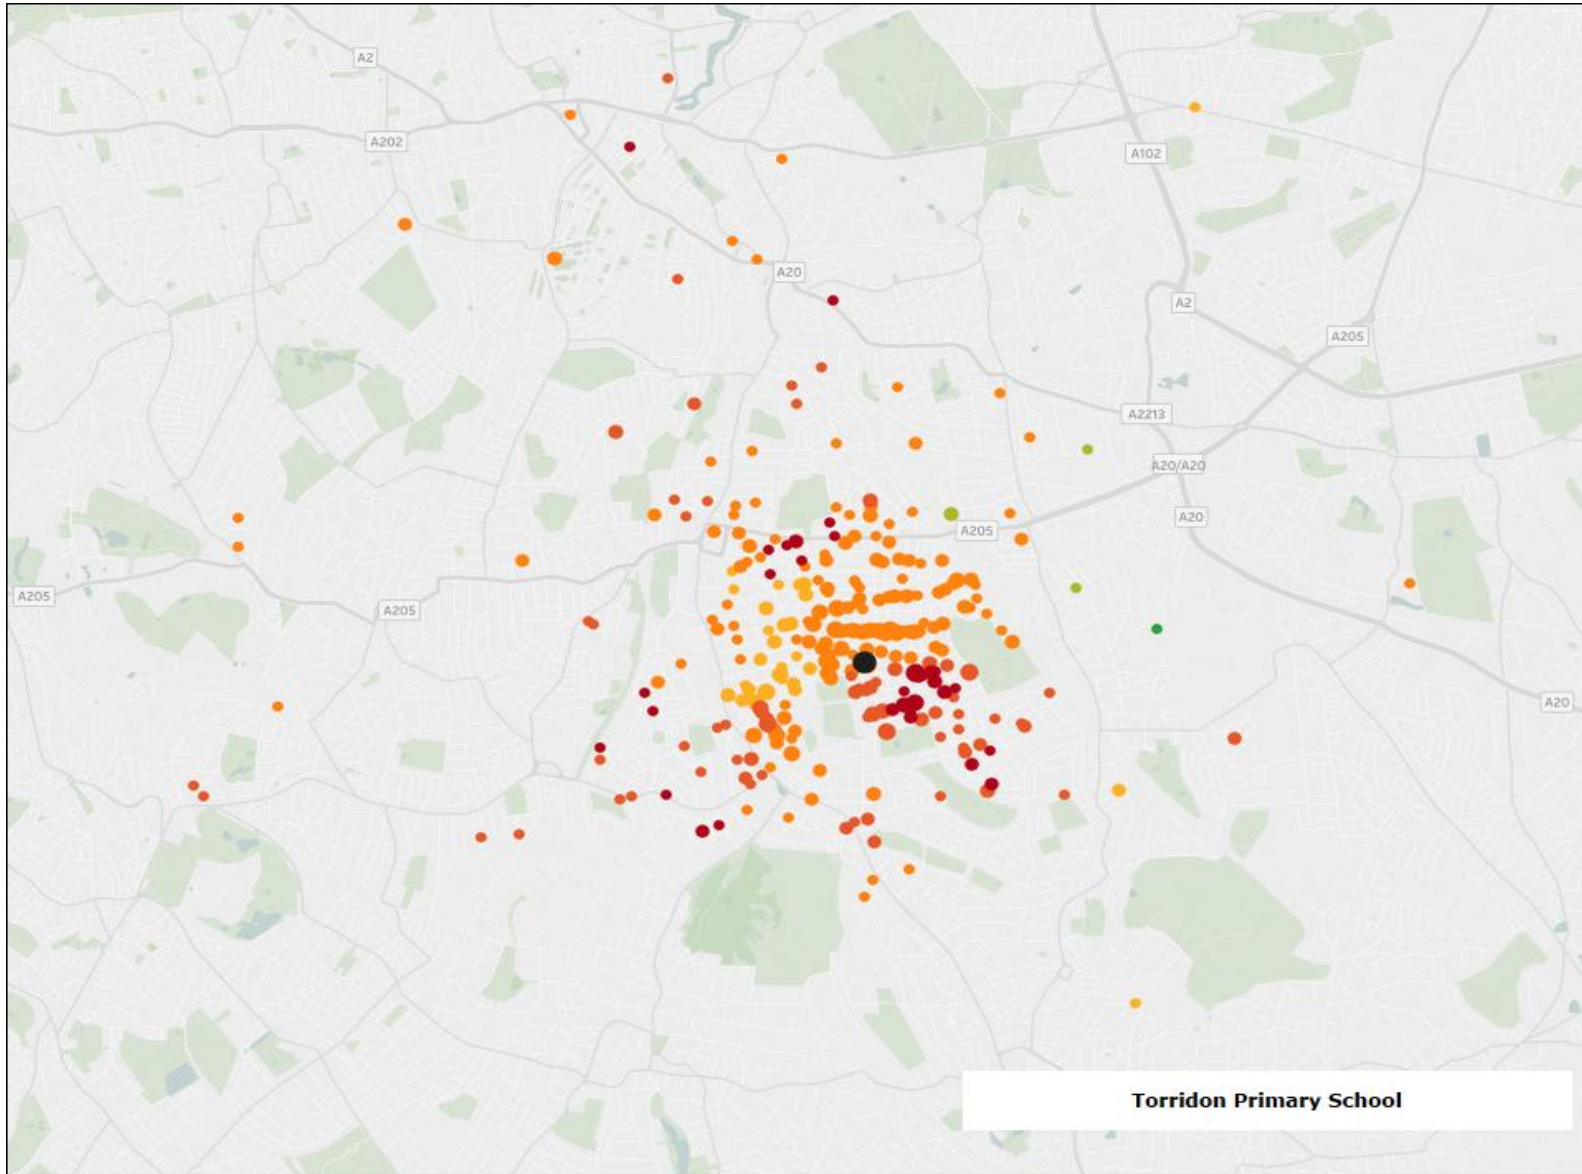

Analysis of school census data, exploring pupil characteristics and a map of pupils' home locations

Pupil Breakdown by Contextual Characteristic (1)

Key (Deprivation Band):

- Band 1a: 10% Most Deprived
- Band 1b: 10-20%
- Band 2: 20-40%
- Band 3: 40-60%
- Band 4: 60-80%
- Band 5: 20% Least Deprived
- Unknown IDACI band
- Location of school

Questions to Consider

1. Are there local areas that do not have many pupils attending your school? If so, what are the reasons for this?
2. Do pupils that travel further to your school come from more deprived or less deprived areas?

Map shows 620 pupils. Does not show 15 outside the map boundaries and 1 with missing or unrecognised postcode.

Note:
Each dot represents the postcode that a pupil lives in. Where more than one pupil lives in the same postcode, the dot will be larger.

3. Pupil Behaviour

Analysis of pupil absence and exclusions

i) Overall and Unauthorised Absence (Time Series) - Autumn & Spring Terms*

ii) Persistent Absentees - Aut/Spr*

iii) % Absence by Reason - Autumn & Spring Terms*

*2019/20 and 2020/21 data was affected by the COVID pandemic and only shows the Autumn term position for schools, LA and England. In line with DfE guidance, 2020/21 analysis treats COVID related absences (X codes) as not being absent, unlike in 2021/22.

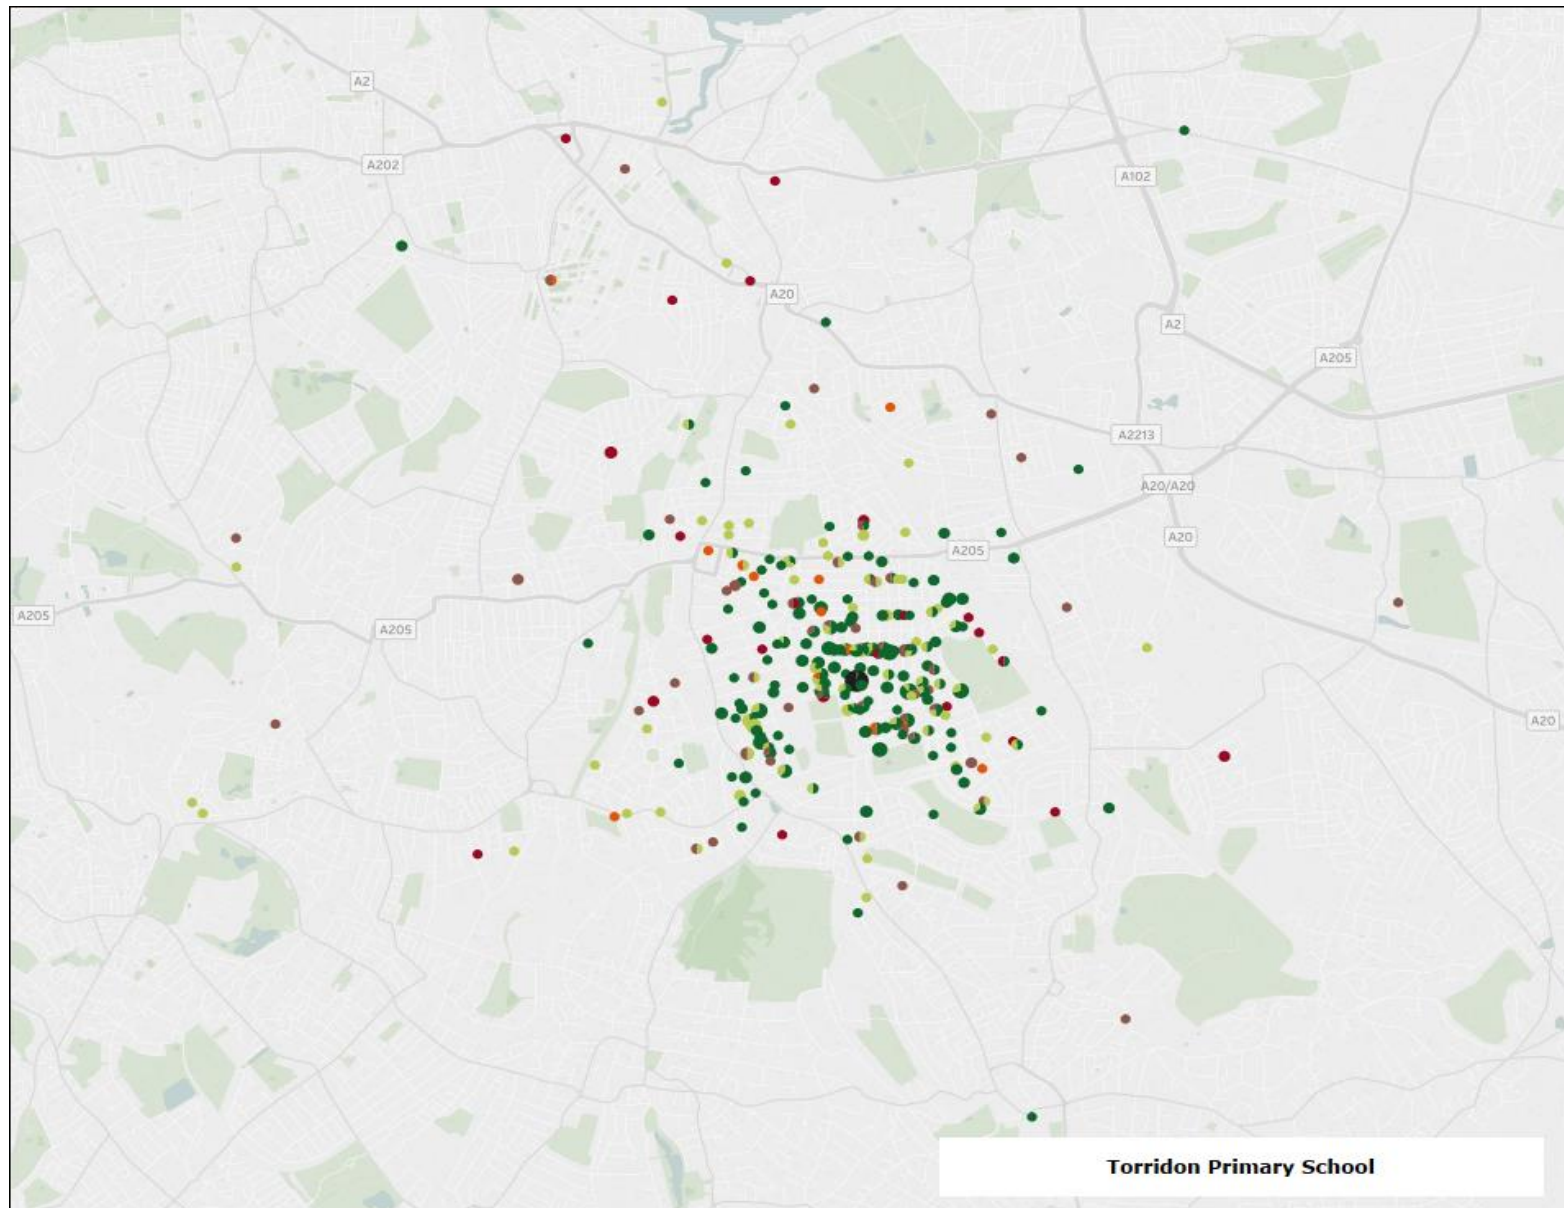

^England comparisons for 2021/22 are for the Autumn term only.

¹A persistent absentee is defined as someone with 90% or less attendance

iv) Vulnerable Groups Analysis - Autumn & Spring Terms

v) Pupil Map by Attendance Band

Key (Attendance Band):

- Band 1: 96-100% Attendance
- Band 2: 91-95%
- Band 3: 86-90% (Persistent Absentee)
- Band 4: 80-85% (Persistent Absentee)
- Band 5: <=80% (Persistent Absentee)
- Unknown
- Location of school

Questions to Consider

1. Are there any areas of red and orange dots that suggest poor attendance is concentrated in particular areas?
2. If so, are there particular actions you need to take to address this?

Notes:

Each dot refers to a single postcode. Where more than one pupil lives in a particular postcode, the dot will be larger. If pupils in the same postcode have different attendance levels, the dot will become a pie chart.

Pupils from Nursery and Reception are not plotted on the map.

Torridon Primary School

i) Headline Exclusions & Suspensions Indicators

Indicator		Primary Comparisons		
		Sch (Aut/Spr 21/22)	LA (Aut/Spr 21/22)	Eng (Full Year 20/21)
Permanent Exclusions (% of all pupils)		0 0.00%	0.00%	0.01%
Suspensions	No. of instances (suspensions as a % of all pupils)	4 0.63%	0.68% ↓	0.99%
	No. of pupils with suspensions (% of all pupils)	4 0.63%	0.46% ↑	0.52%
	Average length in days of suspensions	1.0	1.7 ↓	2.0 ↓
	0.5 to 5 Days	4 100.0%	99.4% ↑	98.6% ↑
	6 to 15 days	0 0.0%	0.6% ↓	1.2% ↓
	16+ Days	0 0.0%	0.0%	0.1% ↓

ii) Suspensions by Reason (% of all instances of suspensions)

Reason (Selected codes)	Code	Primary Comparisons"			% of all suspensions					
		Sch (Aut/Spr 21/22)	LA (Aut/Spr 21/22)	Eng (Full Year 20/21)	0%	20%	40%	60%	80%	100%
Physical Assault Against a Pupil	PP	50.0%	24.0% ↑	18.4% ↑	50.0%					
Physical Assault Against an Adult	PA	0.0%	23.4% ↓	23.3% ↓						
Verbal abuse/threatening behaviour - adult	VA	0.0%	11.4% ↓	12.4% ↓						
Verbal abuse/threatening behaviour - pupil	VP	25.0%	8.4% ↑	6.0% ↑	25.0%					
Offensive Weapon	OW	0.0%	1.8% ↓	1.2% ↓						
Bullying	BU	0.0%	0.6% ↓	0.7% ↓						
Abuse - Race	RA	25.0%	4.2% ↑	1.1% ↑	25.0%					
Abuse - Sexual Orientation / Gender Identity	LG	0.0%	0.0%	0.2% ↓						
Sexual Misconduct	SM	0.0%	0.6% ↓	0.4% ↓						
Damage	DM	0.0%	4.2% ↓	6.0% ↓						
Persistent Disruptive Behaviour	DB	0.0%	16.8% ↓	28.0% ↓						
Inappropriate Use of Online Technology	MT	0.0%	2.4% ↓	0.6% ↓						
Public Health Transgression	PH	0.0%	0.0%	1.7% ↓						

2019/20 and 2020/21 data is affected by the periods of school closure due to the COVID-19 pandemic and therefore rates are lower than for a typical year.

" School and LA reason code analysis is based on the first reason stated for each exclusion, whereas the England comparator shows the total reasons given that are assigned each code (where one exclusion may have more than one reason).

Appendices

Appendix 1 - Data Sources & Caveats

Section	Data Source
EYFSP	Validated EYFSP returns from schools. Local Authority figures do not include private, voluntary or independent (PVI) settings, unlike some other published analysis. National data for 2022 is from provisional information on the Nexus forum and is for internal school/LA use only. Prior year comparators show the closest possible aspect from the previous framework - see Appendix 3 for more information.
Year 1 Phonics	Validated Year 1 Phonics check returns from schools. Analysis also shows the proportion of the full Year 2 cohort (who were on roll at the time of the phonics check) who achieved the threshold, including those who resat the check in Year 2. Year 2 analysis does not include pupils that had neither Year 1 or Year 2 phonics results in Lewisham. National data for 2022 is from provisional information on Nexus and is for internal school/LA use only. Note that absent pupils are included in the threshold measures but not in the average points scores.
Key Stage 1	Validated KS1 teacher assessment returns from schools. National data for 2022 is from provisional information on Nexus and is for internal school/LA use only.
Key Stage 2	Unvalidated test and TA data provided by the DfE in Summer 2022 via ASP. This will include pupils who may be discounted from final DfE figures. Historical data is the validated performance table data from each year; note that the DfE sometimes retrospectively changes historical data in subsequent publications. National data for 2022 is taken from the DfE provisional Statistical First Release.
School Census	Validated January 2022 school census returns from schools.
Pupil Absence	School census returns from schools in January and May 2022. Historical data is from DfE validated performance table and Statistical First Release data (in a small number of cases this is suppressed and therefore not shown). Note that LA figures for the current year include primary aged children from all through schools, unlike published DfE data for prior years. Absence analysis does not include pupils who are below the statutory school age (age 5). In line with DfE guidance, 2020/21 analysis treats COVID related absences (X codes) as not being absent, unlike in 2021/22 - hence 2021/22 absence often appears higher than in 2020/21
Exclusions	Data from 2021/22 is taken from the January and May school census, so does not yet show the full year. Prior years show the full year, based on DfE published statistics from the school census. Note that LA figures for the current year include primary aged exclusions from all through schools (shown as a proportion of all primary aged pupils), unlike published DfE data for prior years. Reason code analysis is based on the first reason stated for each exclusion for the LA. The national comparisons, however, shows the total reasons given that are assigned each code (where one exclusion may have more than one reason).

Note that contextual analysis (e.g. KS1 analysis by ethnicity) is created by linking the above data sources to the January census for the same year and school, using a pupil's UPN.

Where pupil details cannot be matched (e.g. due to the use of temporary UPNs or new entrants after the census) the pupils will not be shown on the analysis by pupil group charts and therefore individual group totals may not match the total for all pupils. Also note that, in a small number of cases, contextual data may not have been provided in the school census.

Appendix 2 - Glossary

ARE	Age related expectations
CL	Communication and Language (EYFSP prime area of learning)
Disadvantaged	Term used to describe pupils who are either FSM Ever 6 (i.e. they have received free school meals at some point in the preceding 6 years), adopted from care or Looked After Children. "Other" is the term used to class all pupils other than those classed as disadvantaged
EAD	Expressive Arts and Design (EYFSP specific area of learning)
EHCP	Education, Health and Care Plan
EYFSP	Early Years Foundation Stage Profile
FSM	Free School Meals. Note that in this Profile, "FSM Eligible" describes pupils who were eligible for free school meals on the date of the school census (as opposed to FSM Ever 6 which looks at FSM eligibility at any point in the preceding 6 years)
FSM Ever 6	A pupil who has received free school meals at some point in the preceding 6 years
FT	Fixed term (Exclusion) - now referred to as a suspension by the DfE
FTE	Full-time equivalent. In FTE calculations part-time nursery pupils count as half an FTE, rather than one pupil used in headcount calculations.
GLD	Good Level of Development at EYFSP defined as a pupil achieving the expected level or better in all aspects within the prime areas of learning (CLL, PD, PSED) and within literacy and maths
GPS	Grammar, Punctuation and Spelling (test at KS2)
IDACI	Income Deprivation Affecting Children Index - A national dataset that allows linking of a pupil's home postcode to a relative deprivation score. The index was updated in 2019
KS	Key stage
LA	Local authority
Lit	Literacy (EYFSP specific area of learning)
LSOA	Lower Super Output Area - An area of approximately 1500 residents used by the government for statistical purposes
Math	Abbreviation used for Mathematics (EYFSP specific area of learning)
PD	Physical Development (EYFSP prime area of learning)
Persistent Absentee	A pupil attending school for 90% or less of their possible sessions
PSED	Personal, Social and Emotional Development (EYFSP prime area of learning)
RWM	Reading, Writing & Maths combined
Scaled Score	A pupil's raw test score is converted to a scaled score. A scaled score of 100 or more means the child has met the expected standard for the test
SEMH	Social, Emotional and Mental Health (SEN primary need type)
SEN	Special Educational Need
Suspension	Formerly known as a fixed term exclusion
TA	Teacher assessment
UPN	Unique Pupil Number
UTW	Understanding of the World (EYFSP specific area of learning)
10% Most Deprived Areas	Term used in the contextual analysis in this Profile to show pupils living in the 10% most deprived areas <i>nationally</i> (based on IDACI scores). Note that it does not show your school's 10% most deprived pupils (and some schools in less deprived areas may have no pupils in this category)

Appendix 3 - EYFSP Aspects and Mapping to Old Framework

The table below shows the areas of learning and aspects from the EYFSP framework in use from 2021/22, and which aspect from the previous framework is shown for comparison purposes in the EYFS analysis in this profile.

Area of Learning	EYFSP aspect from 2022	Aspect for comparison from 2019 and earlier
Communication and Language	Listening, attention and understanding	The lower of Listening and Attention & Understanding
	Speaking	Speaking
Personal, Social and Emotional Development	Self-regulation	Self-confidence and Self-awareness
	Managing self	Managing Feelings and Behaviour
	Building relationships	Making relationships
Physical Development	Gross motor skills	Moving and Handling
	Fine motor skills	
Literacy	Comprehension	Reading
	Word reading	
	Writing	Writing
Mathematics	Numbers	Numbers
	Numerical patterns	
Understanding the World	Past and present	N/A
	People, culture and communities	People and Communities
	The natural world	The World
Expressive Arts and Design	Creating with materials	Exploring and Using Media and Materials
	Being imaginative and expressive	Being Imaginative

Mime are experts in communicating complex information with clarity within the education sector. We are passionate about using data to improve the life chances of young people. For more information, please get in touch.
