

## Year 1 Home Learning: Autumn 2

This half term, our topic will be 'Under the Sea'. We will be focusing our learning around our core text, 'Little Turtle and the Changing Sea' by Becky Davies. We would like you to **complete at least two of the items listed in column 1** and then to choose **some, or all, of the tasks in column 2**. All written tasks can be submitted on Microsoft Teams, and practical tasks can be brought into school.

Column 1	Column 2
<p><b>Suitcase must haves!</b></p> <p>If you were going on a seaside adventure, what would you pack in your suitcase and why? Draw and label what you would take with you, and tell us why you have chosen those items. Don't forget to use finger spaces, capital letters and full stops in your writing.</p> 	<p><b>Diorama dreams...</b></p> <p>Create a 3D model of an underwater world. Dioramas are a great way to create wonderful settings, so get creative! Why not make some finger puppets too, and use them to create your own 'under the sea' story?</p> 
 <p><b>Can you make a tally chart?</b></p> <p>Make a tally chart, and ask the people you know whether they recycle or not. You may want to add more categories by including if they recycle paper, plastic or food etc.</p>	<p><b>Reusable shopping bags:</b></p> <p>Design your own reusable shopping bag to encourage people not to waste plastic bags. Which material would you use for your bag?</p> <p>What would be most suitable: metal, glass, wood, plastic, foil? Why? Does it need to be waterproof or not?</p> 
<p><b>Research an endangered sea creature.</b></p> <p>Have a go at writing a fact file about your chosen endangered sea creature. Why are they endangered? Is it due to being hunted, or is their habitat being polluted?</p> 	<p><b>Design a poster...</b></p> <p>Have a go at drawing or creating an underwater scene. You could even try to make it 3D and include some pop-up or 'lift-flap' facts to encourage people to save our oceans and recycle.</p> 

**Reminders:** Complete your home learning by **Monday 12<sup>th</sup> December 2022**.  
 Complete three Mathletics tasks set by your teacher for that week.  
 Read daily for 20 minutes minimum, and ask your adult to sign your reading record. Can an adult question you on what you have read?  
 Make sure you learn your spellings.  
 SPAG.com tasks will also be set every Friday. Have a go, and see how much you know.
