21<sup>st</sup> July 2023

Dear parents and carers,

Welcome to the final newsletter of this academic year. I can't believe we have reached the end of the summer term!

I was very proud to see Torridon featured on the ITV news on Monday. As you will have seen, Raheem truly is a star in the kitchen. You have received a letter from the Mayor of London this week informing you that school lunches will be free to all primary age children from September. I am hoping that lots more children will leave their packed lunch boxes at home and start to have some of Raheem's delicious meals at school.

Thank you to those who have joined us to support the wonderful music concerts this week. The children do love to see you in the audience when they are performing. Very big thanks to Chris, Samantha, Sam, Alex and Alethea for all their hard work supporting the children to develop their musical talents.

The children had the opportunity to visit their new classrooms and meet their new teachers this week. They had great fun sharing ideas about what they would like to see and do in their classes next year and finding out about some of their learning.

We sadly say goodbye to our year 6 children today. They have worked incredibly hard during their time at primary school and have been a real asset to the Torridon community. I know you will want to join me in wishing them all the very best for the future.

We look forward to seeing you all on **Wednesday 6<sup>th</sup> September**.

Have a lovely summer break. I hope you have lots of time to rest, relax and spend time with loved ones.

Best wishes  
Manda George  
Headteacher

# Young Writers Competition Winners

Congratulations to our winners of the Young Writers competition who have had their writing published.

*"My story was called, the diary of an adventurous kid. It was based on a sleepover and a dream. I love writing because it allows me to express myself and make people happy."* - Amy (3A)

*"I wrote the diary and I never thought I'd get in, but I did. It was so amazing and I was really happy. I loved it!"* - Hazel (5S)

*"My story was about a fairy in the park. I was proud of myself and happy that my story was in the book."* - Jesika (3S)

## Governing Board Updates

Dear parents and carers,

I'm pleased to introduce myself to you all as your new Chair of Governors, following the full governing board meeting last week. I've been a governor at the school for many years now, serving first as a Local Authority governor at the infant school, and then as Vice Chair of Governors since the amalgamation of infant and junior schools and the appointment of Manda as Headteacher. I have two children at Torridon in year 2 and year 5, so there's every chance you will have seen me on the school run in the mornings.

Manda informed you in last week's newsletter that our long standing Chair of Governors, Margaret Brightman, is stepping down at the end of this term. Margaret has been an amazing servant to the school since its amalgamation, and her contributions to the journey we have been on these past five years, culminating in our 'Good' Ofsted inspection result this year, cannot be overstated. Margaret has the thanks of the whole of the governing board, who have been inspired by her tireless efforts for the school, our children and the wider Torridon Community

I'm delighted to let you all know that two of our brilliant parent governors, James Brown and Michelle Weiss-Henry have been reappointed for new four year terms. James and Michelle bring a wealth of experience to the governing board and have made valuable contributions to our approach to school finances and data privacy and protection in recent years. It's brilliant to have them both on board for the coming school year.

I'm already starting to look ahead to the summer break, where our wonderful senior leadership team, class teachers, support staff and premises team will all get a well deserved break. This year has flown by, and I want to thank all of our parents and carers for your continued support for the school over the past year - it was brilliant to see so many of you at the Summer Fayre (and HUGE thanks to our amazing PTA team!)

All the best, Levin Wheller

# Reception Art Lessons

Reception had a wonderful afternoon visiting the Art Room, exploring line and celebrating what wonderful artists they all are. We can't wait to see them in here every week in Year 1.

## Lego Club

Take a look at some of the Lego club creations the children have made! We have had a pizza shop, stables, an airport, boats, and gardens. The children have had a great time making their models. Thank you Heather for making Lego club so fun! *If you have any spare Lego and you would like to donate it to Lego club, the children would very much appreciate it.*

# Catering Assistant Vacancy

## Catering Service Assistants required.

Contact your school office or email: [stanella.dawkins@compass-group.co.uk](mailto:stanella.dawkins@compass-group.co.uk)

As a result of the Mayor of London extending free school meals to all children from year 3 to year 6 for academic year 2023-2024, we have catering positions offering flexible working hours, on a fixed term contract of 39 weeks, and paying London Living Wage, starting from 28<sup>th</sup> August 2023, working Monday to Friday during school term time in our Primary school kitchens in Lewisham.

No prior experience required as full training is provided. If this is of interest to you then we would like to hear from you. You will be required to undergo a Disclosure & Barring Service (DBS) enhanced check, and demonstrate your right to work in the UK.

## Parent Workshops

We will be running a series of parent and carer workshops next year to show you some of the teaching strategies we use at school and to give you some ideas about ways you can help at home. Workshops will run from 9.00 – 9.45am on the following dates;

Tuesday 19 <sup>th</sup> September	Year 1 and Year 2 Maths
Tuesday 26 <sup>th</sup> September	Year 3 and Year 4 Maths
Tuesday 3 <sup>rd</sup> October	Year 5 and Year 6 Maths
Tuesday 16 <sup>th</sup> January	Year 1 and Year 2 Reading
Tuesday 30 <sup>th</sup> January	Year 3 and Year 4 Reading
Tuesday 6 <sup>th</sup> February	Year 5 and Year 6 Reading

Look out for more workshop opportunities in September!

## Steel Pans Performance

A big well done to all the children who participated in the steel pan performance.  
You made us very proud!

# Year 6 Leavers

The year 6 children had a wonderful time at their leavers event on Wednesday. Thank you to the team of parents and carers who volunteered to make it such a success. Particular thanks to Sheri and Lakisha for working so hard on the organisation and running of the event.

we will miss you

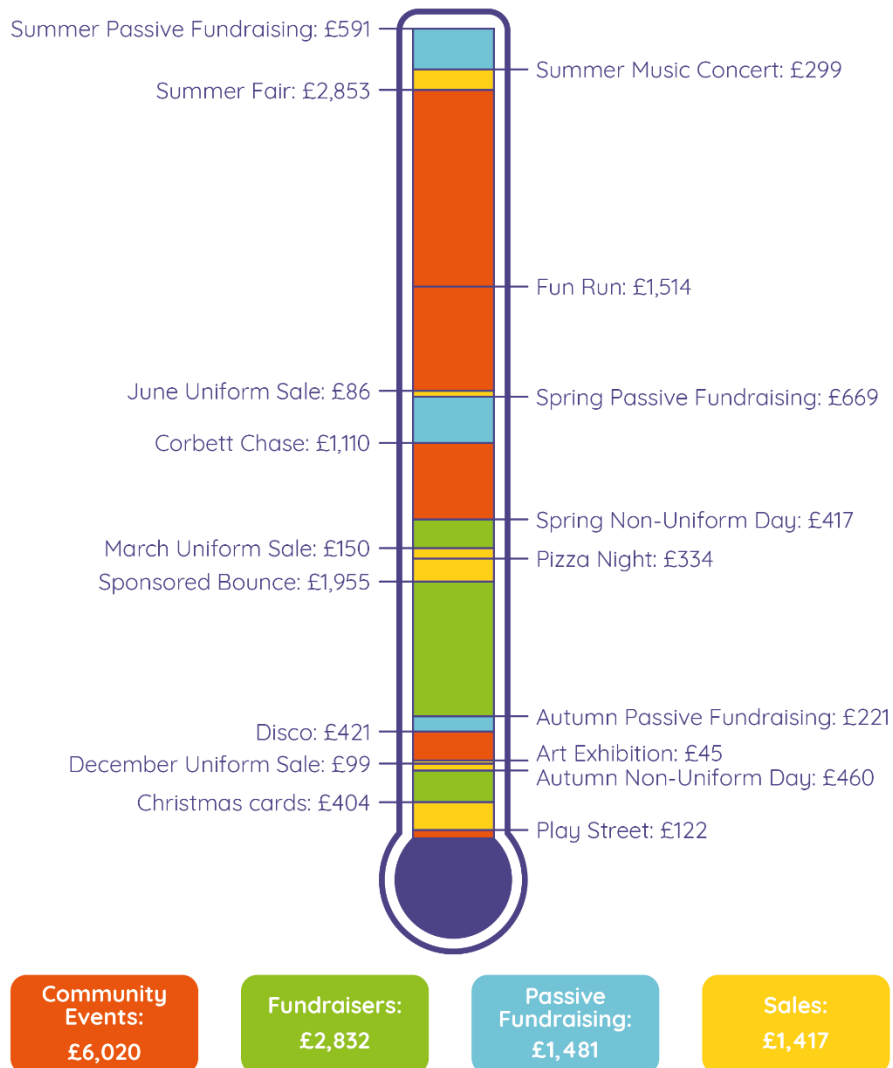

# Thank you from the PTA!

Whew, what a year we've had! Thanks to the generosity of all of our donors and sponsors, time and dedication from an army of volunteers, support from school staff, and enthusiastic participation from community members, we have raised an incredible £11,751. We'll use this money to fund the Creative Corner, support the local foodbank, and plan fun and engaging community events next year.

Beyond fundraising, the PTA is strengthening our community and providing memorable experiences for our children that help them to engage positively with school and their learning. Can you help us continue this work next year? Please come along to our Annual General Meeting (AGM) at **9.00am on Thursday 21<sup>st</sup> September**, when all PTA committee positions will be open to new members. Questions or comments? Email Megan at [friendsoftorridonpta@gmail.com](mailto:friendsoftorridonpta@gmail.com).

Thanks to all for a fantastic year. We hope you have a wonderful summer holiday, and we look forward to seeing you in September!

**£11,751 raised in 2022/23!**

# WIN £1,000 / €1,000 FOR YOUR SCHOOL'S LIBRARY!

## Help your school #rebuildthelibrary –

plus win a £100/€120 National Book Token for yourself!

Did you know that 1 in 5 children don't have a book at home?\*

 Many people assume that all children can access books in their school library.

Yet, **1 in 7 primary schools have no library space at all** - that's more than 750,000 children. And where there is a library space, our friends at the charity Read for Good have found that this is often woefully inadequate, with books that are unappealing and outdated. Children facing poverty, who need these school libraries the most, are most likely to be missing out.

*Limited stock and the necessity to provide every student with a book at their level means often they are being given old, outdated, and pretty dull books.*

*I could cry sometimes, handing over a book that I wouldn't usually even give shelf space to.*

This summer, 'Read for Good' are offering five schools the chance to start rebuilding their libraries by inviting teachers, parents, carers and communities to nominate their school for our big prize draw. Each winning school will receive **£1,000/€1,000 in National Book Tokens** and a **year's free membership to the School Library Association** – PLUS one overall winner will also get **£500/€500 to help them create a fun and welcoming library space for all**.

Nominate Torridon using the form below, and if ours is one of the five winning entries, you'll also **win a £100/€120 National Book Token to spend in your favourite bookshop!** Remember, the more entries received for your nominated school, the higher the chance they'll win – so don't forget to spread the word

Winners will be drawn at random after Monday 31st July and announced in September 2023. Check out the [full terms and conditions](#) below.

## What Parents & Carers Need to Know about

# WAPP

AGE RESTRICTION  
**12+**

on the App Store:  
"Everyone" on Google Play

LIBRARY

### WHAT ARE THE RISKS?

Developed in Germany, this social networking app is called 'W App' in the Apple Store and Google Play but is also branded as 'SJay' in some territories. Aimed primarily at teens and marketed as a 'zero-negativity' zone, it asks users to connect with others from their school. They are then asked a positive question (such as "Who is the nicest person?") and shown four people from their school to choose from. All users from a school can appear in the poll not just those a child is friends with. The app is mainly anonymous – but does offer clues to reveal who selected you for each question.

### FAKE ACCOUNTS

There is no verification when signing up to W App. Once someone joins, they can see all users at their school and add them if they wish. Users provide their name, gender, school and grade – but are also able to change these (aside from their name) as often as they like. This concerned our expert: predators could potentially keep attempting to build connections with children at different schools.

### PROFILE OVERSHARING

Young people tend to have multiple social media accounts, so it's vital their identity is protected online. By default, W App shares someone's school and grade, while users choose whether to share their full name, photo and other social accounts. Most people appear to select this – making it easier for someone to build up a picture of who they are, what they enjoy and where they go to school.

### SPAMMING CONTACTS

The app's activity feed notifies a user when they have been put forward for a poll. They're then given the option to reveal the identity of the person who nominated them, by inviting a friend to join the app. The friend doesn't have to sign up, but they will receive a 'get the app now' text, followed by a link. This process could result in texts being continually sent to a child's contacts.

### CATFISHING RISKS

As well as invented fake accounts, users could also sign up and pretend to be someone else from their school. By joining under another person's name (possibly with their photo), they can take part in polls while masquerading as that other person. Some polls hint at an attraction or crush, which – if deliberately misused by imposters – could result in misunderstandings and embarrassment for teens.

### SUBSCRIPTION COSTS

W App is free to download and use, but there is also a 'gold membership' package (costing £4.99 per week) available. Subscribing allows users to reveal the names of people who selected them in polls (slightly defeating the point of it being an anonymous app), gives unlimited hints and offers exclusive play modes – all of which may tempt a curious young user into spending their money.

### REPEATED USE

Like most other social media platforms, W App wants users to log in regularly. Every time someone completes a set of 12 polls, they earn virtual coins. These can be cashed in for perks such as being included in random polls (so that more users will see them) or adding their name to their crush's poll. This may not seem much of an incentive currently, but that may alter as the app evolves.

## Advice for Parents & Carers

### DISCUSS FRIEND REQUESTS

Talk to your child about the risk of sharing their other social accounts, especially on anonymous platforms where there is no verification – so a user could be anyone. If someone they don't normally talk to at school approaches your child via W App and suggests connecting on TikTok, Snapchat or Instagram, emphasise that it's safest to confirm it with that person face to face before accepting or replying.

### PROTECT PERSONAL INFORMATION

It's crucial that trusted adults regularly remind children about the importance of not sharing too much of their personal information online (and demonstrate it on their own social accounts, where possible). W App automatically displays the user's school on their profile – but if your child does want to use the app, you can advise them to only enter their first name and not to upload an image of their face.

### BE MINDFUL OF REJECTION

The polls in W App are designed to be complimentary rather than negative. However, never being nominated or picked by their peers could leave a child – especially a status-conscious teen – feeling ignored and isolated. If you think that W App is having this effect on your child, it might be time for a supportive reminder that social media doesn't reflect someone's true worth or popularity.

### DO SOME 'APP ADMIN'

Before letting your child download W App, you may want to (via their device's settings) disable the option to make in-app purchases: £4.99 per week for the subscription can soon mount up. Likewise, if a friend's use of W App is causing your child to be inundated with texts inviting them to sign up too, you could suggest asking that friend to stop selecting your child's name from their contacts list.

# Stay and Play Event at Goldsmiths CCA

We would love to invite your students and parents to this free Stay and Play session taking place at Goldsmiths CCA Gallery on 23 July 12-1pm.

The Stay and Play session will begin with a guided tour around the Gallery spaces for Parents and Carers. The tour will consider undiscussed bodily states and periods of transition through moving between art by Camille Henrot, Ebecho Muslimova, and Miriam Cahn. Parents will then have a chance to reflect on these topics and through a relaxed environment, with refreshments.

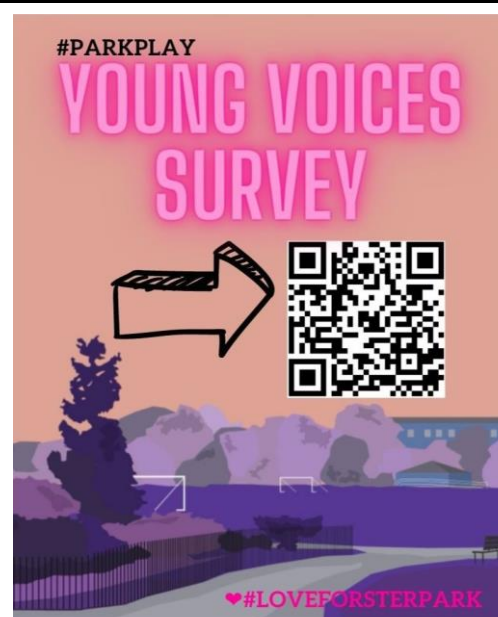

Here is a link to our website page listing this event where you can also find the booking link to book free slots: <https://goldsmithscca.art/event/family-workshops-stay-and-play/>
