20<sup>th</sup> October 2023

Dear parents and carers,

I can't believe we have reached half term already. The weeks have really flown by! The children have been very busy with their learning and have worked so hard this term – they are definitely ready for a well earned rest.

Your children's school photographs are now ready to view and order on the Vancols website. Use the QR code to register online or visit <https://www.getphotos.co.uk/#/>

Thank you to those who offered support following the traffic incident outside school on Tuesday. I am also grateful to those of you who took the time to email offering suggestions for tackling the issues caused by traffic around the school at peak times. As I informed you in my earlier letter, I met with members of the council to discuss potential road safety measures. I would like to invite you to meet with me to discuss the council response and to hear your views about ways in which we can work together as a school community to reduce the risks to our children. The meeting will take place at **9.00am on Thursday 9<sup>th</sup> November**. I hope to see you there. If you are unable to make the meeting, I would also welcome your thoughts via email.

Don't forget to order your Christmas cards by 1<sup>st</sup> November. Details of how to order can be found later in the newsletter.

The children will be having their flu immunisations on Wednesday 1<sup>st</sup> November. Please make sure you have completed the consent form on the NHS website.

Please click on this link to access the eConsent: <http://qlink.uk/LiF2324/100708>

Here's a video on how the eConsent portal works <https://www.youtube.com/watch?v=OUT-pAYOwFO>

I hope you have a wonderful half term and look forward to seeing you on **Monday 30<sup>th</sup> October**.

Best wishes

Manda George

Art projects for schools

**DEADLINE for CHRISTMAS CARD ORDERS: midnight WEDNESDAY 1<sup>st</sup> NOVEMBER**

Your child should now have brought home their Christmas card artwork design. Ordering your child's Christmas cards could not be easier! Just go to [www.apfsorders.co.uk](http://www.apfsorders.co.uk), and input the unique artwork code – found on the label on the reverse of the artwork – and your child's first name and surname. Fundraising from the sales goes directly to Torridon Primary School to benefit the children. At the end of November, you'll receive your cards and any other items you've ordered.

Many thanks for your fantastic support!  
Friends of Torridon PTA

## Unsafe Parking

We held special assemblies for the children to talk about road safety and the issues caused by unsafe parking around the school. Abdulraheem and Azarni felt so strongly about the matter that they have written a message for you all. Here is what they wanted to say:

Don't park on the yellow lines!

We are writing this because recently there has been a car accident. Consequently, there was a child that attends this school and their parent who could have got run over. There were no severe injuries but situations like this could end really badly.

Do you see the yellow zig zags on the floor? Those are hazard lines. I am also writing to tell you that you can put children at risk by parking on those lines. They are made yellow to be able to see at day and night.

Think about it - someone could park on those lines and your child could be in danger. Would you like if somebody else's child were in those shoes?

-Abdulraheem + Azarni, 6A

## New Trees at Torridon

We are very excited to share with you that we are working with Street Trees for Living and the Urban Tree Challenge Fund. Over the half term break, work will begin on adding further greenery to our site. In total, fifteen trees will be planted in the school grounds, including some in the forest school area and in the main playground.

## Nursery

This week in nursery, we have been reading different stories for Black History Month. We have listened to Caribbean music, and we made arts and craft from the stories, decorated hearts from 'Full of Love' and made animal masks from 'Handa's Surprise'. We became hairdressers after reading 'Hair Love', and we created Ghanaian kente cloth.

# Year 1 – Black History Month

For Black History Month, year 1 children have been learning about the athlete, Katarina Johnson-Thompson. The children have really amazed us with their typing skills and some fantastic digital and manual drawings as they created information posters on the laptops. The learning about Katarina has inspired us all to develop a positive mindset and to never give up!

## Year 2 – Dragon DT

Inspired by our theme, Dungeons and Dragons, year 2 have had a wonderful time designing and making their own dragons. During our DT sessions, we thought carefully about the materials and equipment we would need to make dragons and why those materials would be best suited for the job. We discussed how we could make a secure moving part and decided that split pins would be the best thing for the job! After that, we had lots of fun creating the final product. Take a look at our fabulous dragons which have a moving wing...

## Year 3 – PE

Year 3 have had an eventful week! The children were involved in an inter-class football tournament where they got to use the skills taught this half term. They were very excited playing in the tournament with 3G winning the trophy. Well done everyone, and a BIG thank you to Michael Church for organising the football this half term.

We also had our first collaborative session with the Royal Opera House and enjoyed learning various ballet moves. We will continue working with the opera house on the create and dance programme. This will culminate in a digital dance performance celebrating year 3's learning on 'Alice in Wonderland'. We are hoping to have a tea party with the Mad Hatter!

## Year 4 – DT

The children in year 4 have been making Victorian hinge boxes in DT.

## Year 5 – Black History Month

This week in year 5, one of our students had the opportunity to visit the Houses of Parliament where she met Dawn Butler – the class Black History Month significant person.

## Mosaic – Art

We are so excited to share with you that the mosaic installation designed by the children has finally been completed outside Torridon Convenience Store! We started the project just before Covid hit. The children across the school created a range of design ideas that reflected what community meant to them. This is the final piece, and what a piece it is!

Thank you to @mosaicallsorts for inviting us to be part of this project.

# Year 6 – History

Year 6 has been learning about the legacies of World War II and how the war affected people all around the world. They came to understand that, although World War II proved to be the deadliest international conflict in history, it left behind lasting legacies that would live forever: the global shift in power, the formation of NATO and the unity and freedom that we enjoy today.

We considered ways to commemorate all those brave men and women who paid the ultimate price in order to give us freedom. We worked in groups to look at different war memorials and considered their symbolism and significances.

2V	97%		4S	95%		6L	93%	

**Well done to all the classes who won for the highest attendance!**

For our children to achieve their potential, it is essential that they are in school on time every day. If your child arrives after gates close at 8.55am, he/she is late for school. Registers close at 9.05am, so any child who arrives after this will be marked in the register as an unauthorised absence.

From after the half term break, if your child arrives to school after 8.55am, our staff will ask the reason for lateness.

Thank you for your support in ensuring your child is on time every day.

## Rights Respecting Article

### Article 2: Non-Discrimination

‘The Convention applies to every child without discrimination, whatever their ethnicity, gender, religion, language, abilities or any other status, whatever they think or say, whatever their family background.’

### Article 30: Children from minority or indigenous groups

‘Every child has the right to learn and use the language, customs and religion of their family, whether or not these are shared by the majority of the people in the country where they live.’

During our Rights Respecting assemblies this week, we continued to celebrate Black History Month. We discussed how important it is to respect people's heritage and cultures and to celebrate and embrace our differences. We also thought about ways we could make the world a more equal place where everyone's rights are respected.

# Creative Writing Competition

The BBC are holding a creative writing competition, and we would love for you to take part. We are encouraging you to use your creativity and imagination to write a story that you would love to read without the pressure of having to worry about spelling, punctuation or grammar. We want you to be as creative as you can and make us laugh, cry or just be blown away by what we are reading.

There are a very few rules on 500 words but a few points to remember...

All the stories **must**:

- **Be 500 words or less** (title is not included in the number)
- Be written by an individual and not a group
- Be a child's own original idea
- Be prose, not rap or poem

All stories will be judged on the following criteria:

- Characterisation
- Plot
- Originality
- Language
- Enjoyment

If you would like to take part, please give your creative writing entries to Claudia by Friday 3<sup>rd</sup> November. These will then be sent from Torridon. Alternatively, you can send your entries directly to the BBC by Friday 10<sup>th</sup> November. The address and more information are available on the BBC website:

# Lewisham Junior Orchestra - Half Term Project

## Lewisham Junior Orchestra makes its long awaited return, so come and join Lewisham Music for two days of exciting orchestral music making!

Lewisham Junior Orchestra provides a great opportunity for young musicians to develop their instrumental skills and learn new arrangements under the expert leadership of professional cellist, Thibault Blanchard-Dubois and experienced Lewisham Music musicians.

Participants will take part in sectional rehearsals throughout the two days, gaining experience and confidence within small groups, before coming together to perform as part of a large orchestra with all the other young musicians. You can expect a mix of written score and improvised sections!

This year young musicians will come on a journey to create music that explores the stories and sounds of the local area over the last 100 years.

### Who is Lewisham Junior Orchestra suitable for...

Young musicians in Years 5 to 8 (inclusive) who play strings, woodwind, brass and percussion (tuned and untuned percussion) at Grade 1 standard and above (no formal grades required). Unfortunately we are unable to accept piano applications.

### When

Tuesday 24 and Wednesday 25 October, 10-4pm (on 25 October there will be a live performance at 3:30pm for friends and family)

## What Parents & Carers Need to Know about EA SPORTS FC 24

After two decades of holding the official FIFA licence, EA Sports' phenomenally successful football video game series has embarked on a solo run at goal. This season's iteration marks the debut appearance of a new name and branding, but don't let these fool you – EA Sports FC 24 is still a very similar proposition to last year's FIFA 23. Popular features such as Ultimate Team remain a big focus, meaning that potentially costly in-game spending is still among the line-up of risks that parents and carers should be aware of.

### WHAT ARE THE RISKS?

#### RECURRING RELEASES

EA Sports FC 24 effectively picks up the FIFA template – meaning that after a year, we can expect EA Sports FC 25 to hit the shelves. Updates between versions of the FIFA franchise tended to be minor, but young fans of the game are almost certain to want the new edition in around 12 months' time, so they can keep playing with updated team kits, players and squad lists.

#### OFFENSIVE VOICE CHAT

FIFA 23 introduced cross-platform play, and EA Sports FC 24 goes a step further with Clubs, Seasons and Ultimate Team cooperative modes across PlayStation 5, Xbox Series X and S, and PC. That's exciting news for youngsters who love to play with friends online – but connecting a much wider audience does potentially open lines of communication between children and far older online gamers.

#### IN-GAME PURCHASES

In FIFA, Ultimate Team proved to be a profitable innovation for developers Electronic Arts (EA), and is now found in many of their other titles. Players spend in-game currency to recruit better footballers for their team, but this process can take a frustratingly long time – so young fans may be tempted to skip the grind by paying real-world cash to unlock that coveted star midfielder.

AGE RESTRICTION  
PEGI  
3

#### ULTIMATE TEAM SCAMMERS

Since the mode was introduced, Ultimate Team has been a target of scammers who attempt to coax players into buying or selling outside the terms of service from EA and console manufacturers. This shady practice can lead to accounts being banned and in-game items being lost. In some cases, young gamers have also been hoodwinked into handing over their payment details to the fraudsters.

#### POTENTIAL FOR ADDICTION

Just like real-life football, EA Sports FC 24 offers a thrilling, dynamic blend of tactical awareness and skill that fans find absolutely engrossing. Among younger players in particular, this could lead to identifiers of a gaming disorder as they plead for "just one more game" before bedtime or spend practically all weekend playing more matches to earn additional Ultimate Team packs.

## Advice for Parents & Carers

#### CONTROL SPENDING

If your child enjoys Ultimate Team mode, check that your payment details aren't linked to their account. Bundles of FC Points (the game's currency) start at just £1, so multiple payments can easily slip under the radar. You could consider setting your child an in-game allowance, perhaps through a prepaid card, which will help them to realise that online spending has a real-world effect.

#### DEFEND AGAINST SCAMMERS

EA does contact players via email (although not to ask for usernames or passwords, so watch out for that scam tactic), but never through the game itself – so be wary of incoming messages and consider blocking and reporting suspected spam. Your child should avoid buying coins (the in-game currency) from external sites; it could end with them losing their money and being banned from the game.

#### AVOID EXTRA TIME

Many parents of young football-oriented gamers worry about their child playing too much EA Sports FC. There's now also a companion mobile app, which can also often provide another indicator that a child is struggling to disengage from the game. You could initiate discussions around set hours of play – or take stronger action by utilising the parental controls on their console or phone.

#### SHOW TOXIC CHAT THE RED CARD

Playing EA Sports FC 24 with friends is highly enjoyable, but if competitive types start to turn toxic online, it can ruin everyone's fun. You could occasionally listen in on the voice chat of your child's game for any warning signs that things may be about to boil over. This goes double when playing online with strangers: voice contact with unknown players can be turned off in the game's settings.

#### CELEBRATE THE VARIETY

Ultimate Team may be the game's 'star player', but there's plenty more to do in EA Sports FC 24 – including modes which allow access to all of football's big names without needing to spend money on packs to unlock them. This new version of the game includes even more women's teams, marking another step forward in representation: an important subject to discuss and celebrate with children.
